“making a statement”

“KHS: small school — big statement”

statement 1. A single declaration or remark. 2. A work of art or a part, or an aspect of such a work that expresses most clearly and forcefully a theme, basic idea or intention of the artist.

Kennedale High School is a *statement* in itself. It is a small 3-A school, yet it is great in size in other aspects. Kennedale students excel, not only in athletics, but also in academics. Kennedale students make *statements* in the choices they select concerning clothes, cars, hair, music, weekends, and

special activities. Students here are an extremely close-knit group. “The closeness of the students helps distinguish Kennedale from other schools,” says senior Kyle Fletcher. “In general, it is very friendly school,” replied junior Toby Poore. This just goes to show the relationship between students at KHS. The teachers are also impressed with the quality of students on our campus. Mrs. Rompf *stated*: “The willingness of the students to put in the extra effort necessary to succeed is a real *statement* for Kennedale.” As the first part of the defi-

nition goes, Kennedale students really do make definite *statements* through their remarks; but the second part of the definition also applies to the Kennedale High School student body. To look at it in an abstract way, Kennedale is like an artist and its students are its work. Its students express their basic feelings through their actions and beliefs. At Kennedale High School, WHERE EVERYBODY IS SOMEBODY, students speak out on a number of things - “Making A Statement.”

Top: The Wildcat stadium is filled with anxious fans awaiting the exciting Homecoming against Bishop-Dunn.

Bill Depoy obviously doesn't like the cafeteria food either.

Right: Christy and Cary Goss almost look like twins; however, Cary is a little bigger at the top.

Far Right: Bobby looks a little upside down; I hope he lands on his feet.

After School Jobs

“

HARD WORK ALWAYS
PAYS OFF

”

Work! Work! Work! Many KHS students have taken the responsibility of an after-school job. One may wonder why they would take on such a difficult task. Some part-time workers say that it is for the money. Others state that it is for the work experience that jobs have to offer. The honest students tell all: They say it's to meet peers of the opposite gender. Junior Karo-

lyn Mires describes the tortures of working by stating, "It's tiring, a lot of hard work, and it requires a lot of time. However, I really think that the hard work pays off." Actually, this is the attitude shared by most of the students at KHS who have part-time jobs. They feel that an after-school job is a lot of hard work, but it often has many unexpected rewards.

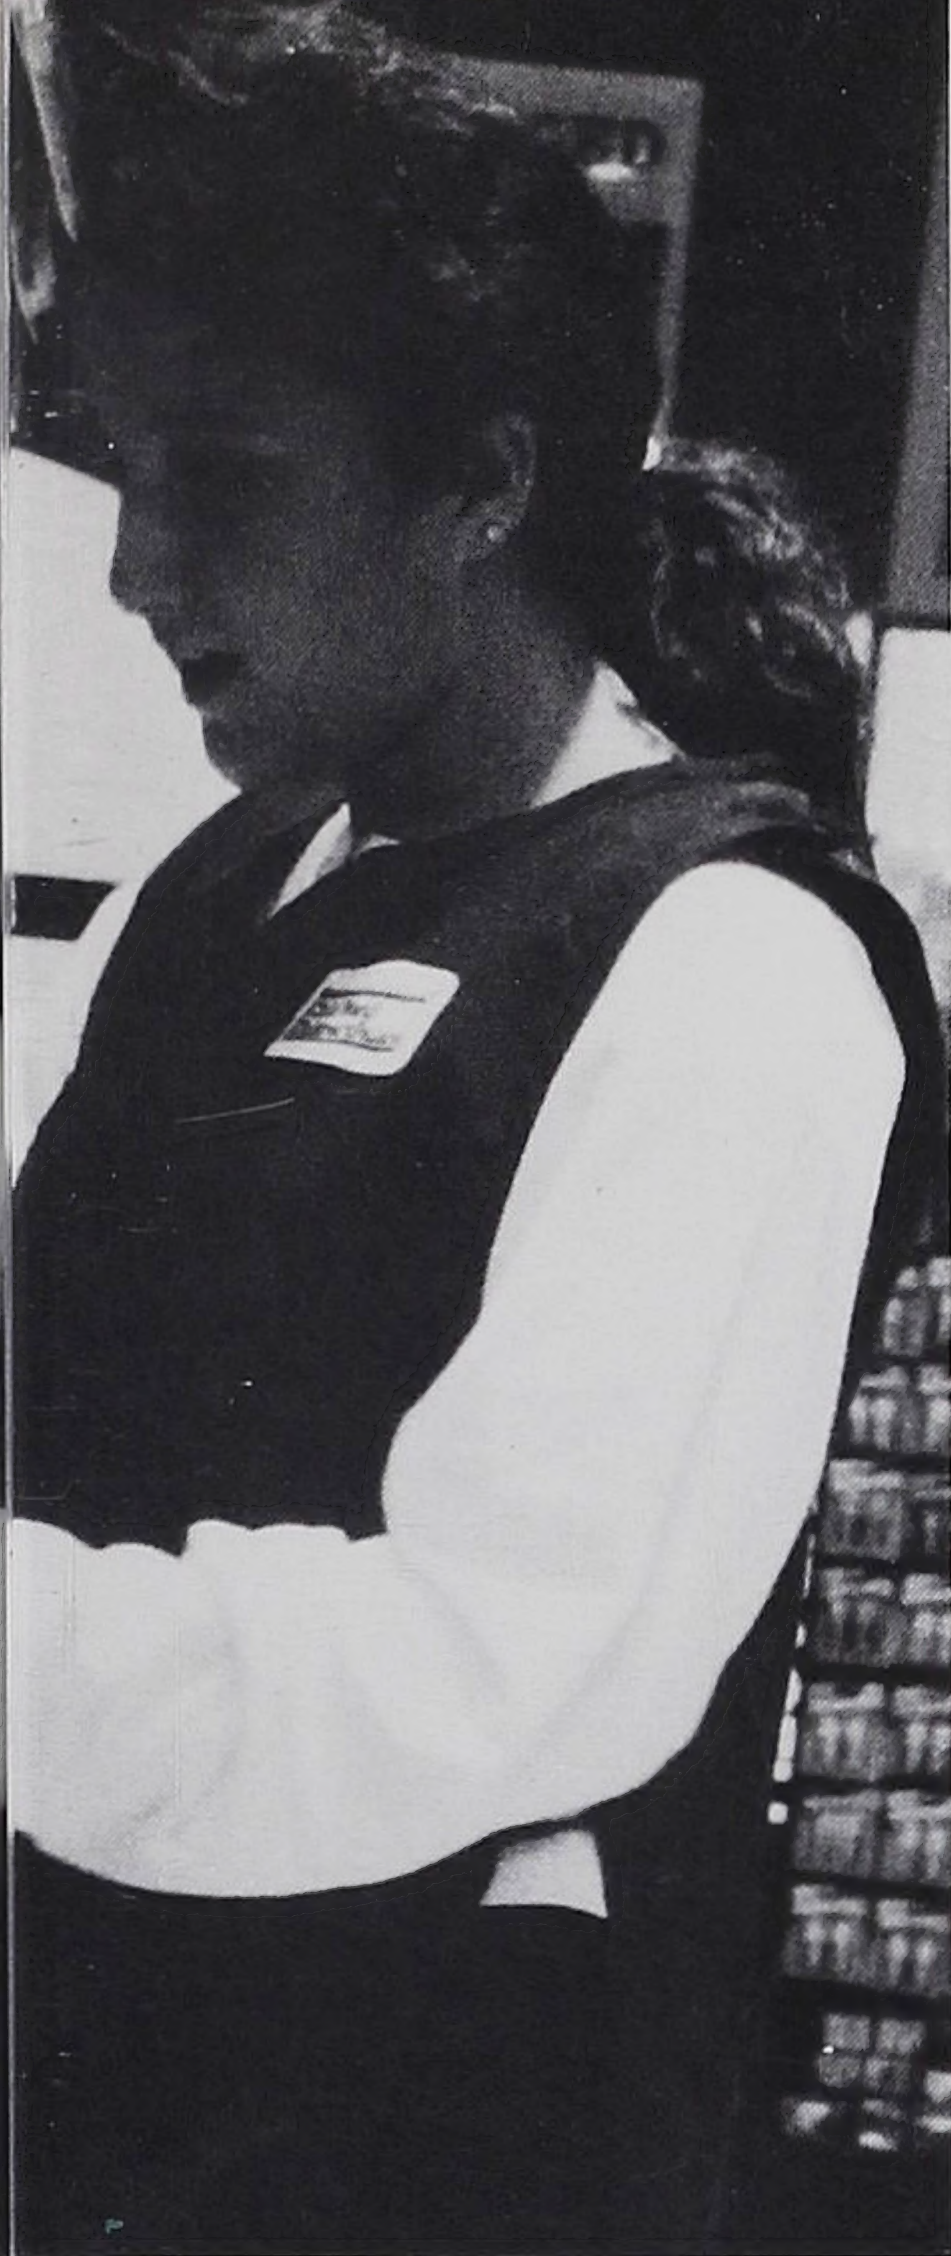

Erika Harris says,
"I like to work at
the cafeteria. It
lets me make new
friends."

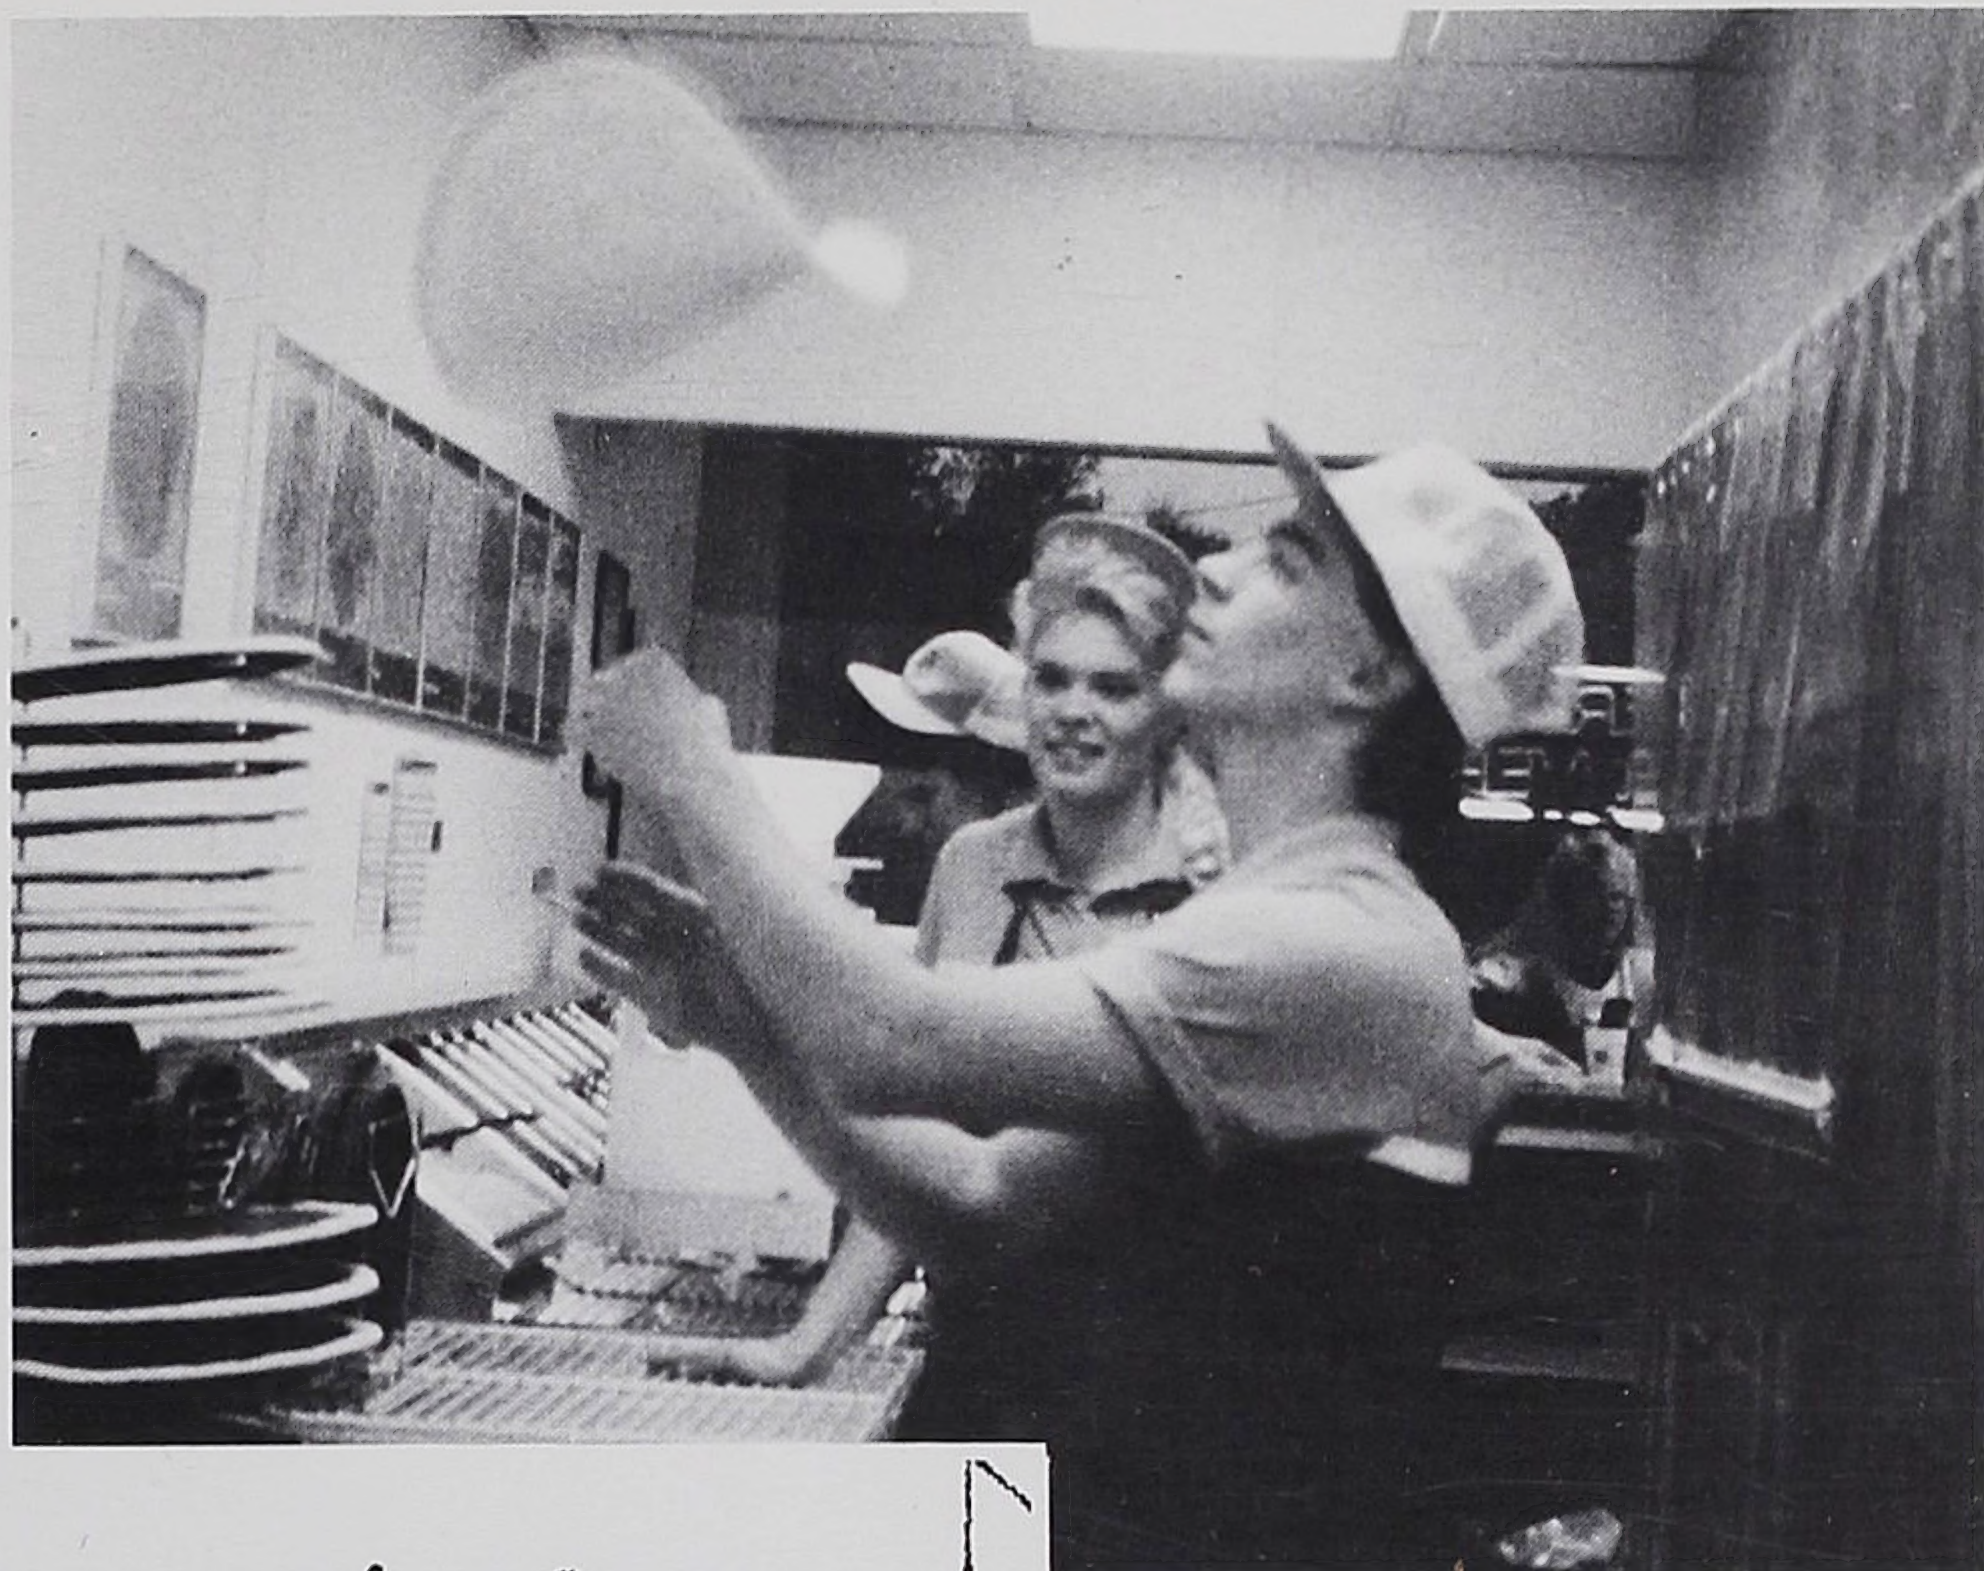

Aliesha Thornhill says, "Working at K-mart
has been a good experience for me. It takes
a lot of my time, but it has taught me disci-
pline and to be more out going."

"Working at Children's Palace has been exciting job, because you get to watch the children play with the toys", stated Darla Trevino.

Ian Stafford, Kelly Freeman, and Angela Pratt have been tremendous assets to the Dominoes staff. Ian says, "It's a lot of fun working with my friends from school."

"Pizza-Inn has been an interesting and fun job. I think that having this job will help me in the future", remarked famous '50's girl Rhonda Rainwater.

"Working at Little Caesar's has been a traumatic job, but it allows me to meet interesting people", replied Karolyn Mires.

PEP RALLIES

“ The KHS pep rallies boosted school spirit and provided support for the fighting Wildcats. ”

This year, Friday mornings were eagerly anticipated by all. The pep rallies gave the students a chance to show their Wildcat spirit and pride. The cheerleaders selected a different “coach of the week” for each pep rally. Mascot Tia Drewien said, “During the pep rallies, I got so worked up that afterwards I thought I was going to pass out!” That just shows how dedicated and hard working our “kitty” is. The last pep rally was the best and the tears won’t be forgotten.

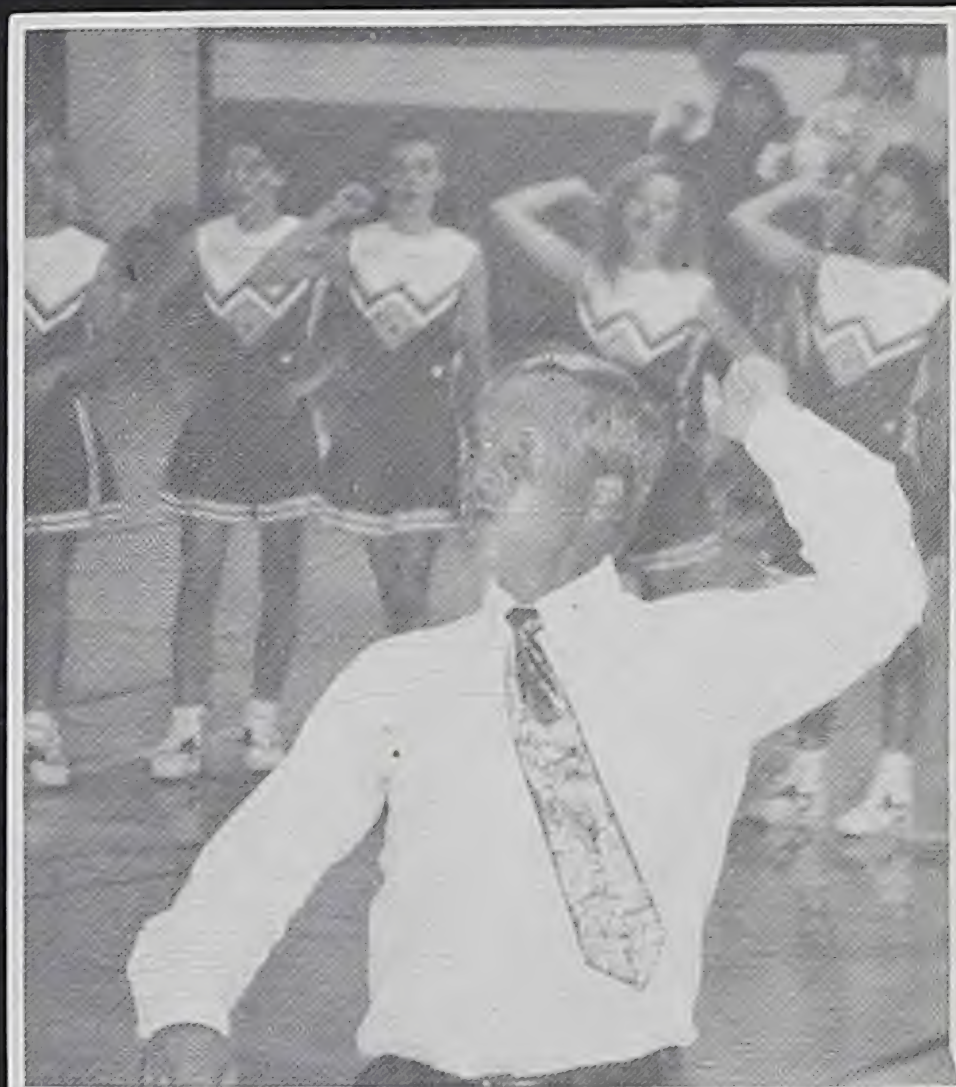

Shane D., Kelly F., Karolyn M., William H., and Brandon K. proudly sing the Alma Mater.

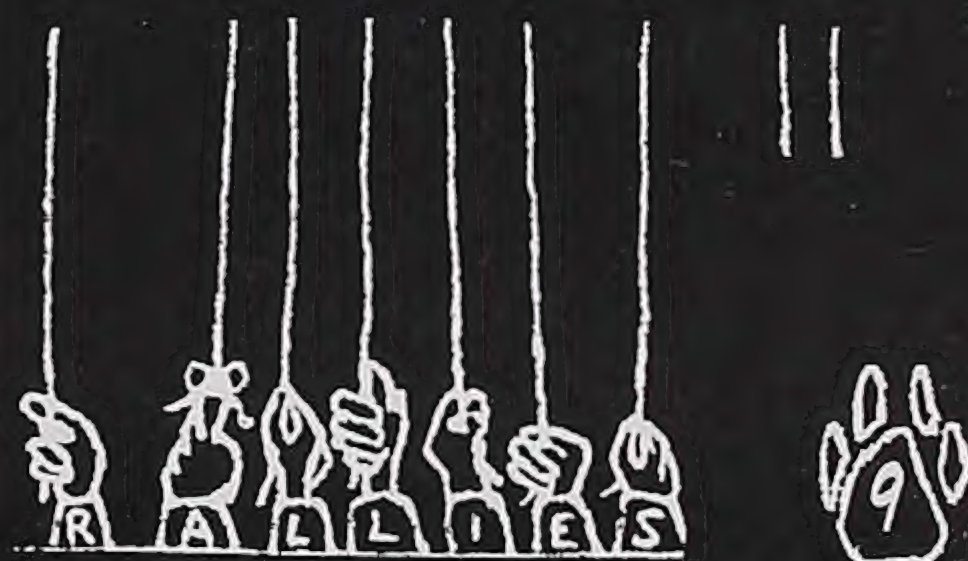

What would a pep rally be without the dazzling smiles and endless variety of cheers presented by our varsity cheerleaders?

Coach Teague comments on pep rallies ... "They were a great time to bring the student body together. Everyone did a great job showing that Wildcat spirit."

The charging Wildcats, Vinny, Jeff and Michael are beginning another pep rally with great support from the student body.

HOME COMING '91

"Homecoming was wonderful. One could feel the Wildcat spirit the entire week. - Heather Dunavin

Homecoming at KHS usually follows a routine. This year, however, decorating the hall and the homecoming parade were discontinued. Despite these changes, the Wildcats managed to be as spirited as ever. During the week, festivities began with "Dress Up Days." Included in these were Roper Day, '50's Day, Hippie Day, Crazy Day and Mum Day. On Friday everyone dressed up and displayed their mums and garters. During the pep rally, the cheers could be heard throughout the gym as the cheerleaders sang to Shane Elmore, the Homecoming King for 1991. As the day progressed, thoughts of the excitement for the night to come increased. The Wildcats began their battle against the Bishop Dunne Falcons and by half-time the Wildcats were in the lead. The half-time show put on by the band was spectacular. Then came the moment: The crowning of the 1991 Homecoming Queen. Courtney Barnes was crowned by last year's Homecoming Queen, Kristina Brown. The night was capped off by a Wildcat victory, as the Wildcats crushed the Falcons 21-0. The '91 Homecoming proved to be one of the best yet.

Why is Carrie's mum so BIG? Could she be trying to hide something?

What do Kim and Aliesha think about Homecoming? They think it's "really groovy."

Dressed in the latest fashions, the Homecoming Court "styles" during half-time.

Although it was cold and windy, the Senior Nominees still managed to keep up their spirit.

Matt Cashion catches 40 winks before a big Homecoming night on the town.

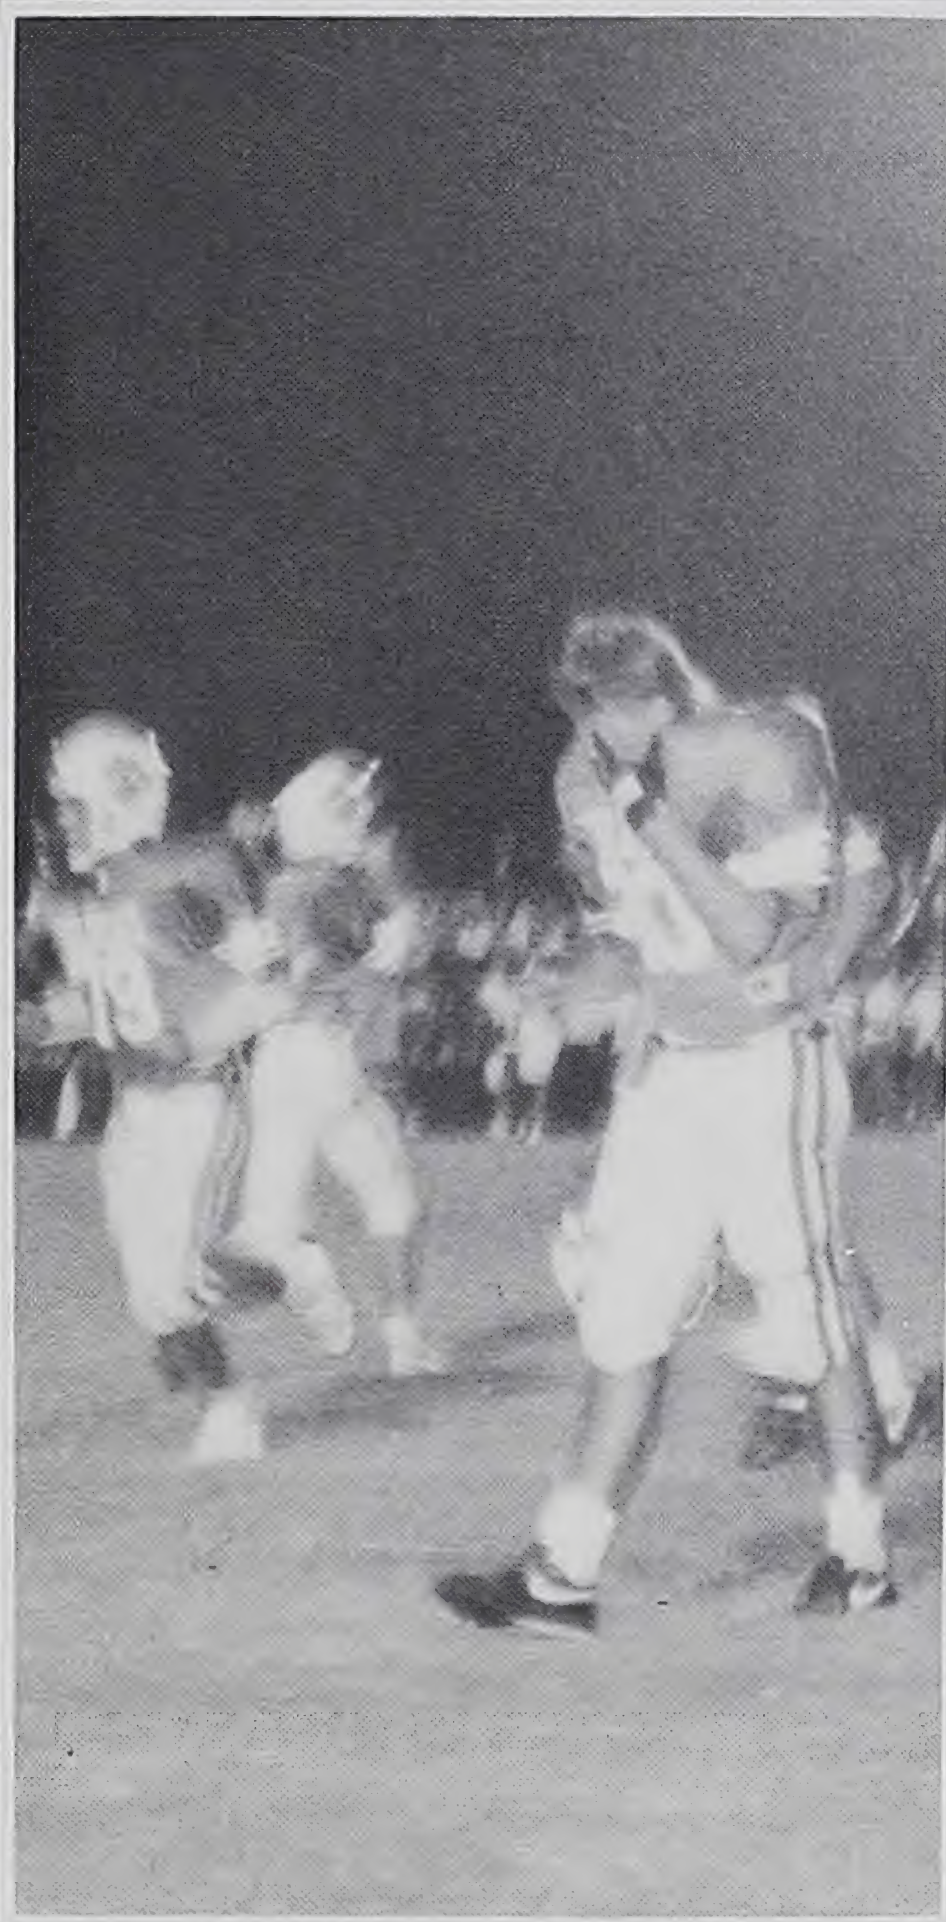

Juniors enjoy the half-time show put on by the band.

HOMECOMING QUEEN 1991

“Home-coming was a very memorable night to me. I was extremely excited, and it meant a lot to me to receive this honor.”

Mr. Barnes looks so excited to be sharing in this experience with his daughter.

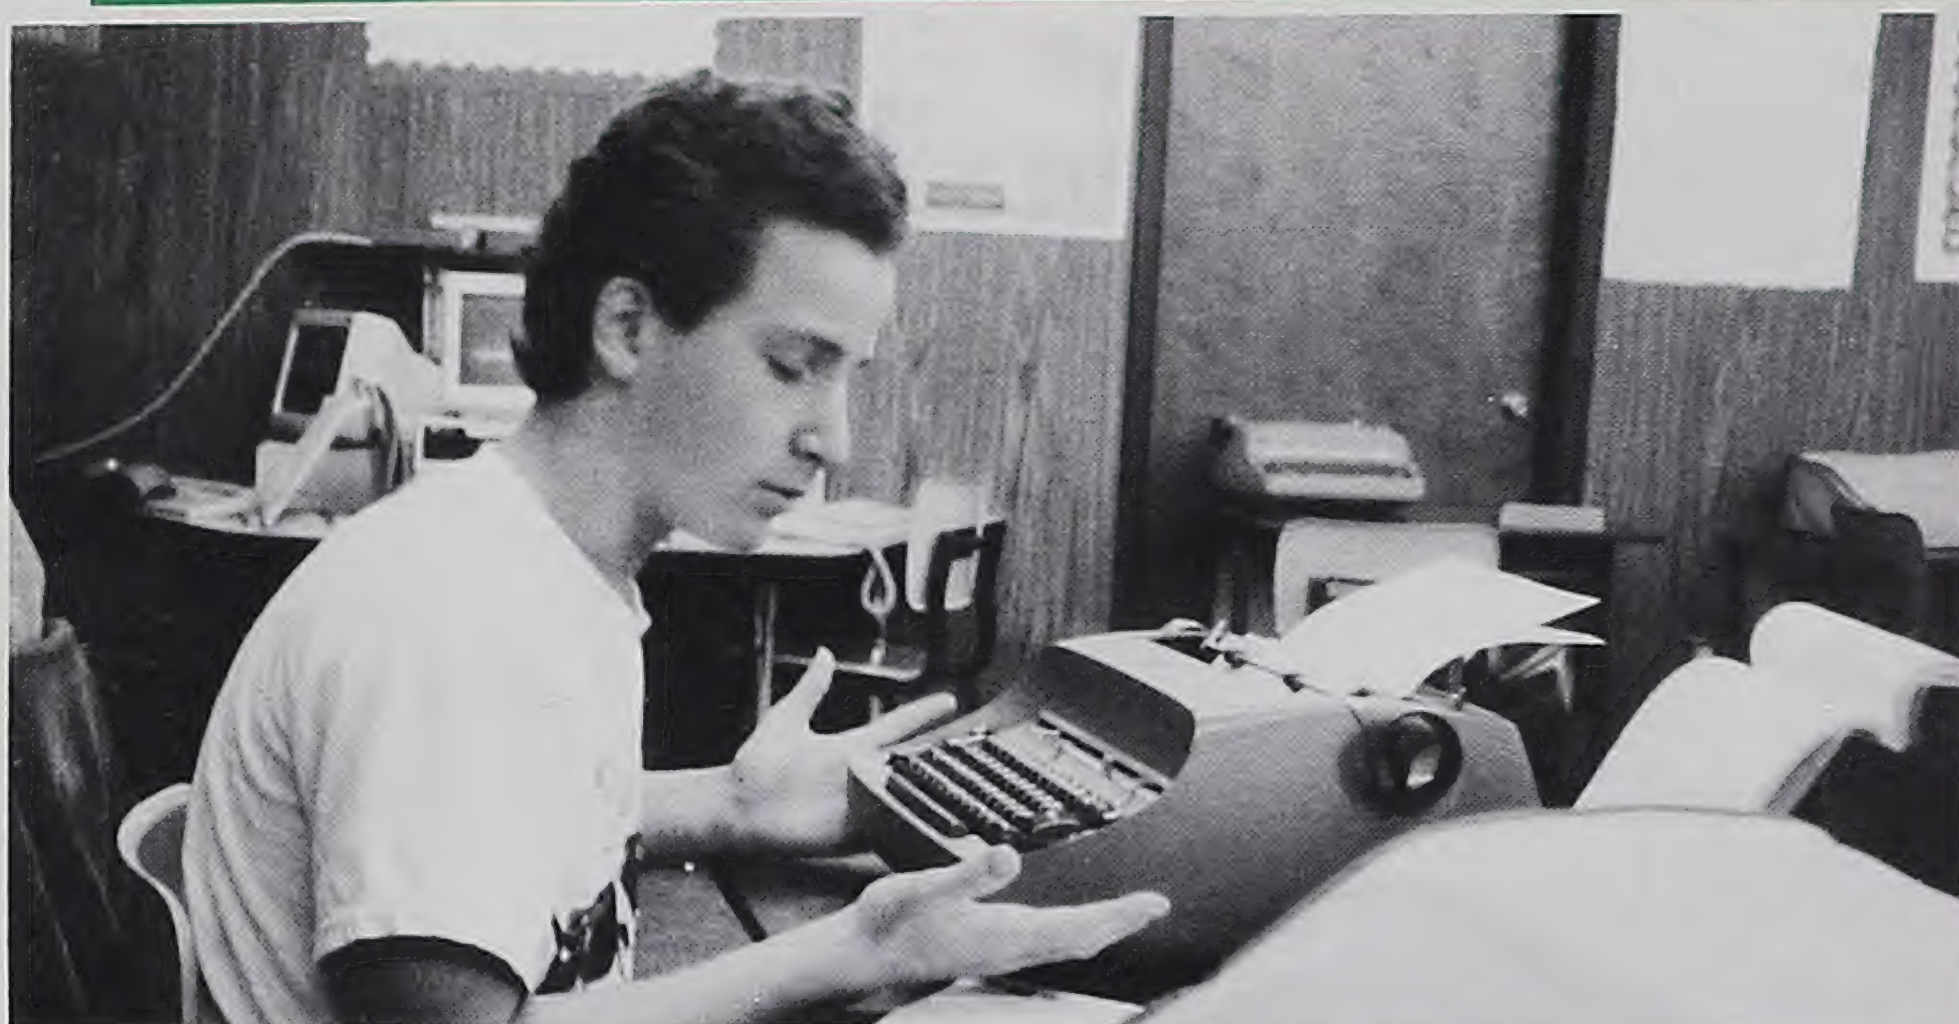

Together as always, the “Three Musketeers” cheer on the winning football team.

Cary Goss walks off the field after a grueling first half.

JUNIORS

SR'93 SR'93 SR'93 SR'93

The 1991-'92 Junior class had a stressful, yet successful year. The year started with an extremely positive attitude toward fund-raisers. During the Christmas season, they sold wrapping paper. Later in the year, they sold nachos and pizza during break. Also, they continued the traditional curb painting that they have done since the freshman year. In the past

years juniors have always planned prom for the seniors. However, after this year, there will be a change. This year's juniors, not only get to plan the senior's prom, next year they will be the first to plan their own. "Some students don't mind the change," says Bill Depoy, but in other cases some don't seem to be optimistic about the situation.

SOPHOMORES

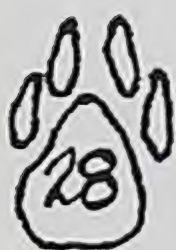

“ Watch out! We'll be even better next year! ”

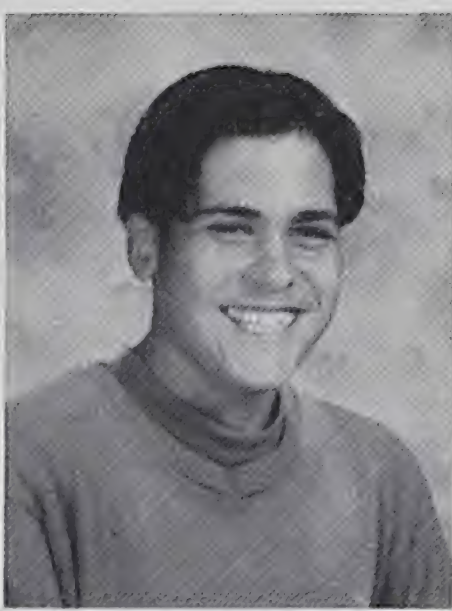

During the pep rallies, the Sophomores of 1991-'92 displayed their spirit by making streamers, confetti and signs. In fact, they bought a foghorn so that they could be LOUD. Two of their fund raisers were selling cookies and ink pens. Even though there is not a lot of places for sophomores to go, they managed to hang out around the Taco Bell and

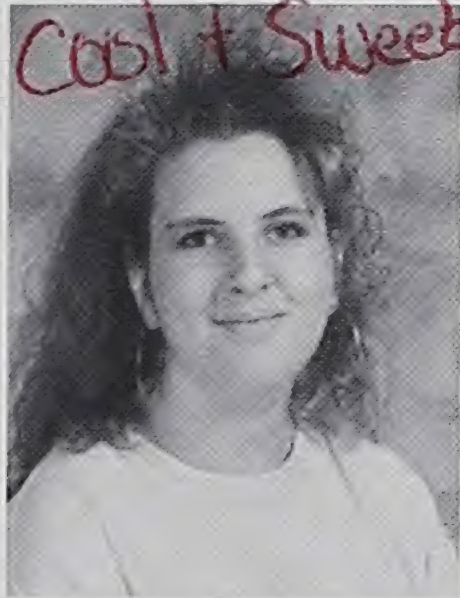

the AMC movie theatre with good friends. Although the upper classmen looked down on the sophomores, they are beginning to see that they really do have potential to be a great senior class. The biggest challenge they face is surviving Mrs. Woolum's English II class and *Julius Caesar*.

FRESHMEN

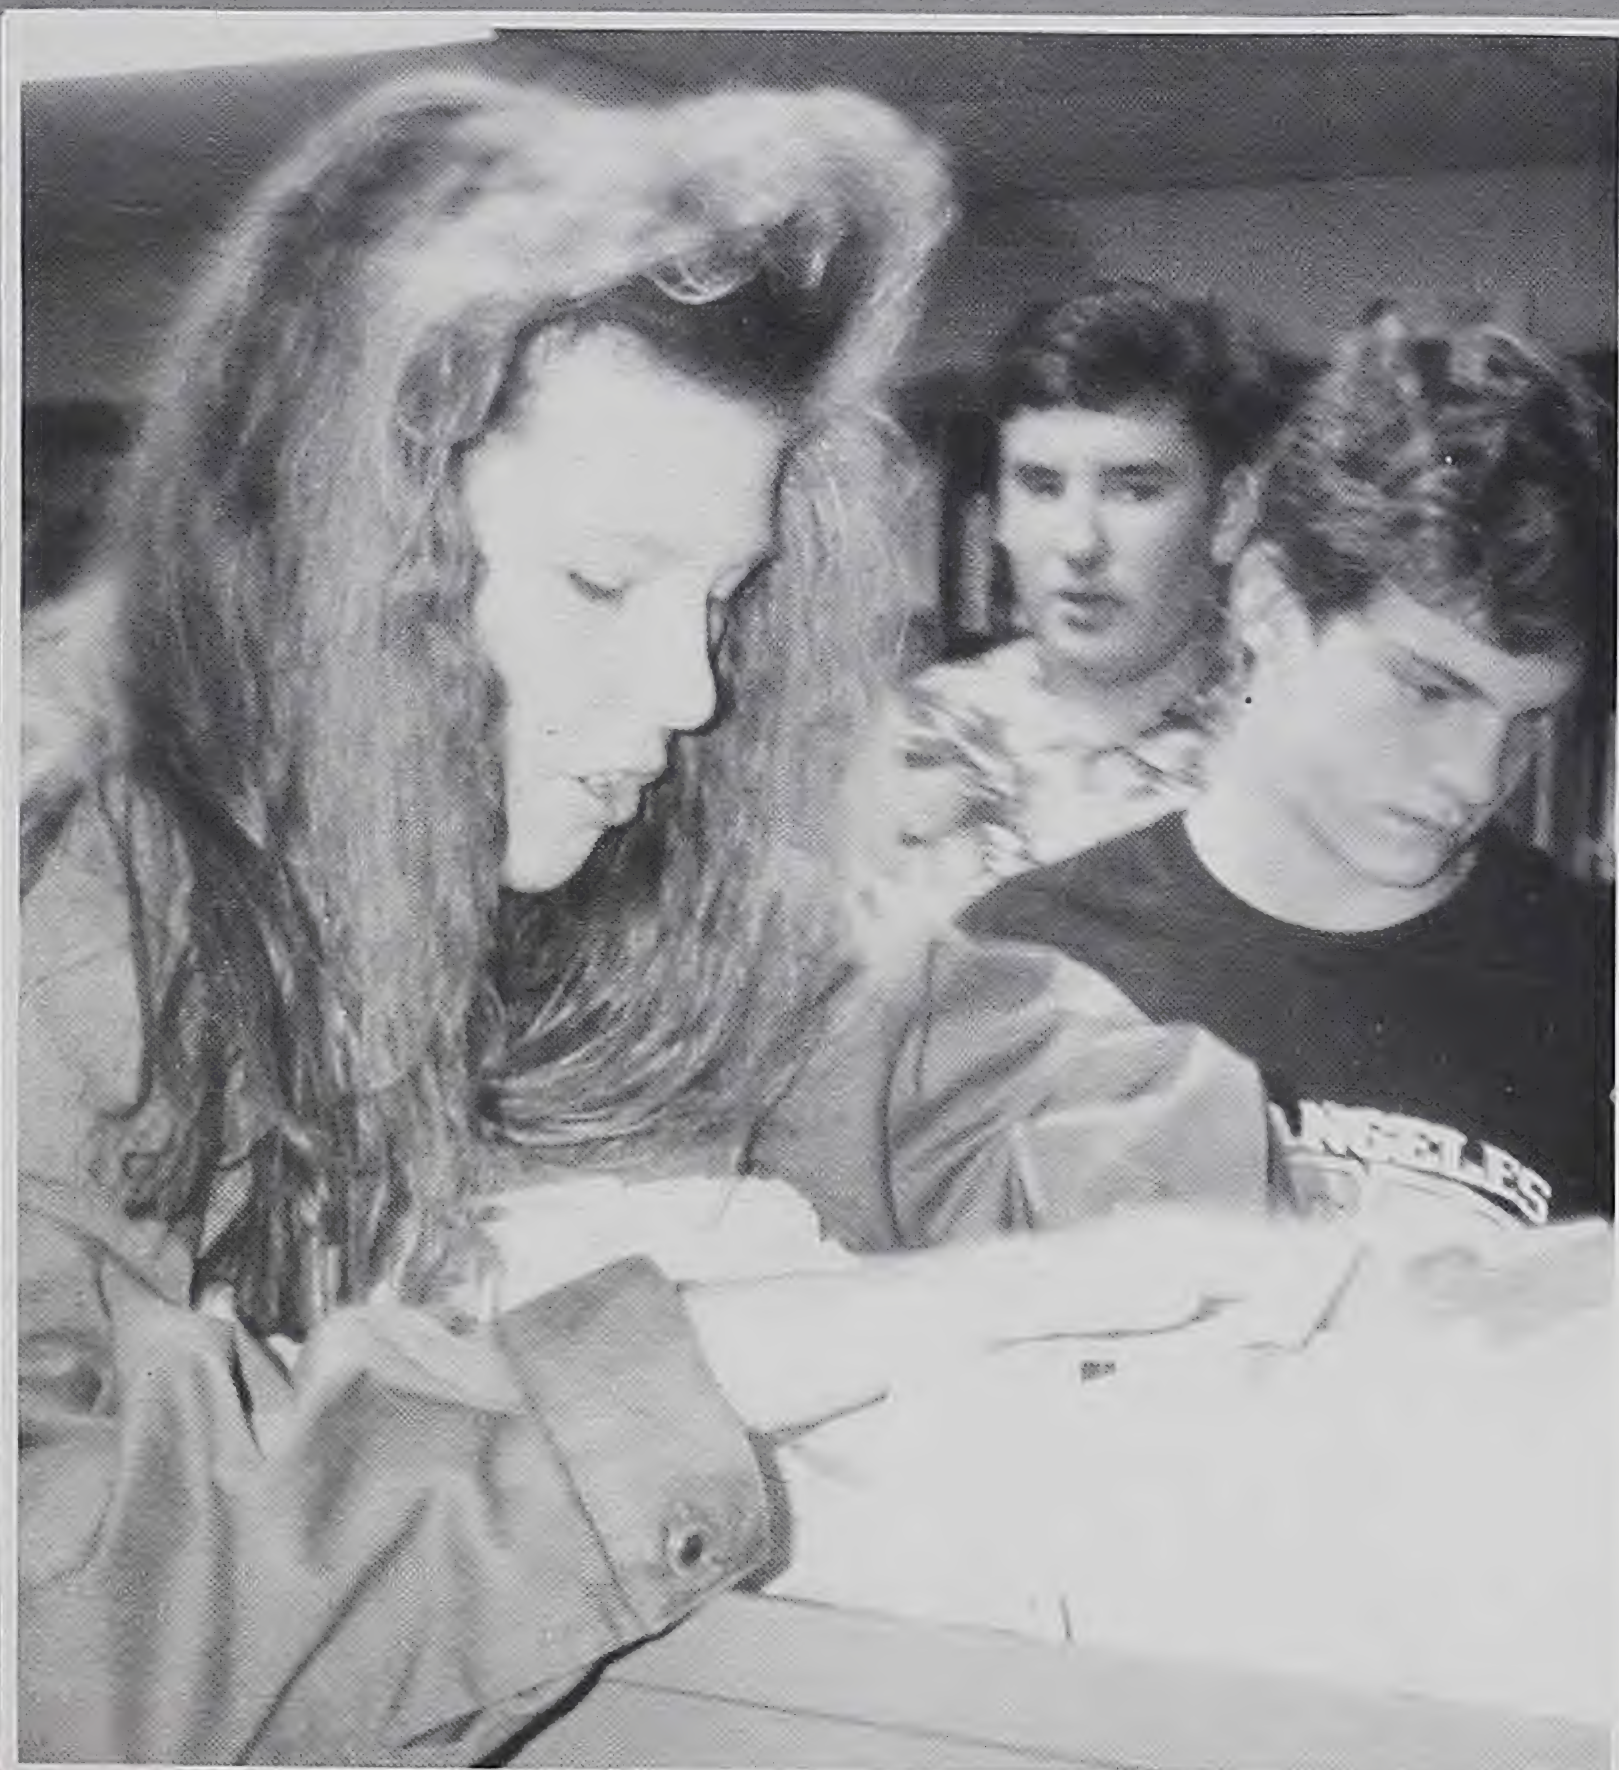

SENIORS 95

When entering high school, most ninth graders have a negative outlook. "Rumor has it upper-classmen don't like us," stated Michael Trammell near the first day of school. Later in the year, he had a change of opinion, "I was wrong, we never got picked on." However, other freshmen have a different thought. Melissa Arenare commented, "I'm always getting called fish, but at least I have an excuse for the way I act." Beth Scott

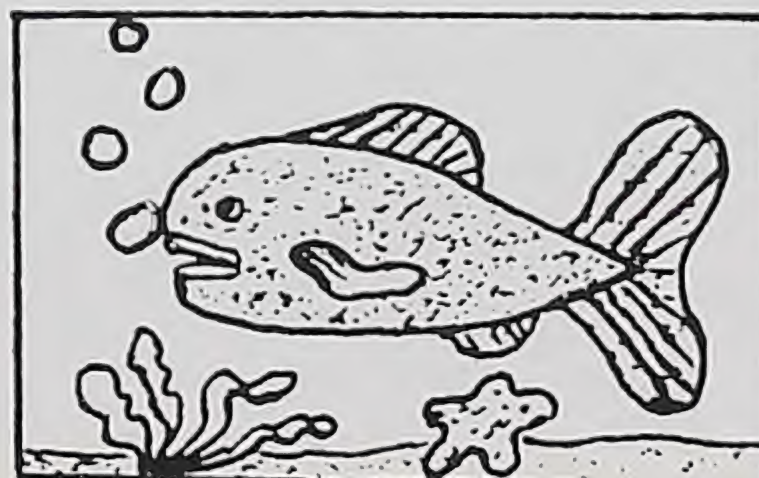

agreed and added, "Some of us try not to live up to our reputation." Contrary to popular belief, Bobby Rowland and Dale Richey feel, "Freshmen are better than upper-classmen." On the more serious note, most freshman are better than upper-classmen."

Many Freshmen are looking forward to graduation. Some are already preparing for college while others are enjoying their last "free" years.

Freshman Dale Richey, memorizing the table of elements in science class, looks prepared for anything to happen and it probably will.

There were a number of changes this school year. One of the biggest changes was in the coaching department. As a result of the departure of our previous department, the new coaches are Coaches Smalley, Millsap, Lockhart, Benson and Dinkle. Another change was in the science department. We said goodbye to our former teachers and said hello to Ms. Nix, Ms. Jackson and Ms. Gilmore. We welcomed Mr. Lenzmeier in art and Ms. Pittard in French/English. These changes, along with our current staff, made for a great year of learning.

“Doing it the CCC Way”

This year, the boy's & girl's cross-country teams spent many Saturday mornings competing in races through the best and worst of the Texas fall weather. These determined Wildcats ran through woods, in fields, running up and down hills and jumping over streams. All of

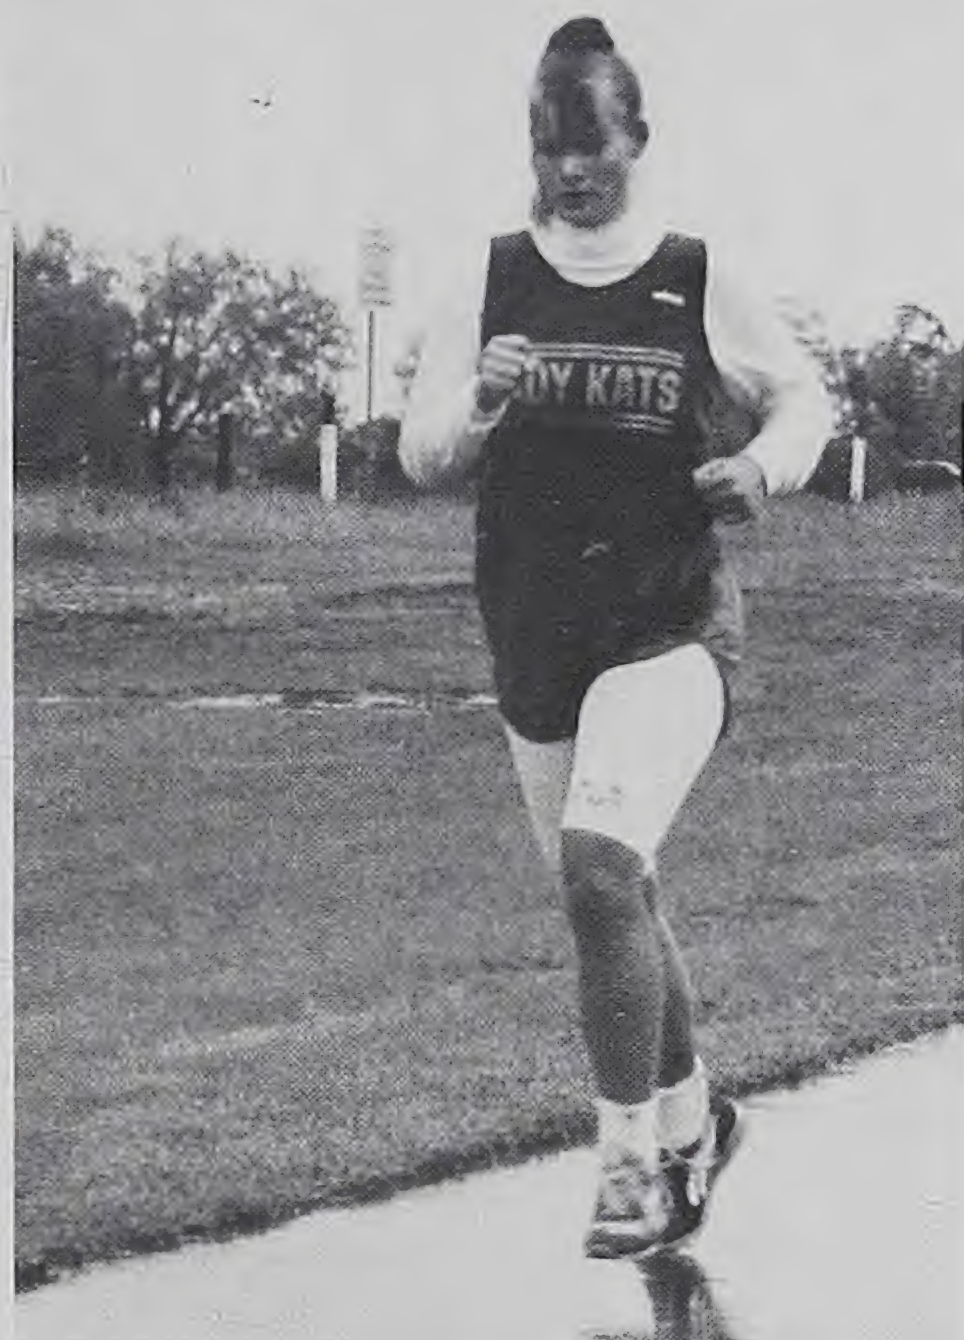

this was aimed toward the acquisition of the district championship trophies. Although the boy's team anticipated to be district champions for the fourth year in a row, the competition took them by surprise. Losing runners due to injuries, the boy's team ended the season with

4th place in district. The girl's team, however, received 2nd place in district. The teams were filled with spirit and determination. They provided themselves with meaningful memories and wonderful experiences that hope to help them prepare for the '92 season.

“On your mark, get set. GO!” Determination and energy are obvious in these runners, as they start off with a bang.

The 1991 JV Volleyball Team

The Junior Varsity Ladycats were 15-9 for the season, and they placed first and second in tournaments. The JV Ladycats had two freshmen players on the team, Melissa Arenare and Chalis Benat. We asked Melissa how it felt to play with JV and she replied, "It was an exciting experience and I hope to grow from it." The team also consisted of sophomores Jessica Winters, Amy Lafferty, Kim Welch, Tiffany Kay, Bree-Ann McAdams and Kandy Walters. The Juniors were Melody Raines, Kristi Patterson and Valerie Monreal. In the future all of these ladies will make talented Varsity players.

Setter awaits Amy Lafferty's pass.

Melody Raines went up for a spike against her opponent, Hillsboro. The final result was a 15-13 victory.

The 1991 Freshmen Volleyball team is a special group of ladies. Not only do these ladies have to adjust to high school, but they also have to learn to get along with the older students. The Freshmen team is special because, for the first time, they came with a lot of skills. They had so much talent that two team members were moved up to junior varsity. But did this affect them? No. They did quite well without the other members. The Freshmen team consisted of Shanel Trevino, Jenny Durham, Gretchen Gilbert, Jackie Dickens, Carla Gomes, Amanda Cash, Jennifer Bedwell, Anabelle Garcia, Lori Rainwater, Megan Irwin, and Angie Waldrop. These Freshmen will become great Varsity Volleyball

players next year. Also, we want to wish them good luck in the future.

The 1991 Varsity Volleyball team had a memorable season. Each player put in many long, hard hours. The season record was 12 and 14 and 5 and 5 in district. The Lady Hats finished third in district. All the tal-

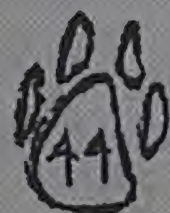

ent a team could have was with the Lady Hats, but the concentration was not always there. With the talent returning next year, district title should be in the grasps of the Lady Kats.

JV Football

“ Problems? No Problem. ”

Despite beginning the season with a new coaching staff, new plays, and only thirteen players, the JV Wildcats managed to win their first two out of three games. Losing two good players did not help their situation. The JV team went on to win their next three out of four games, although they lost five more players to Varsity the week of the Whitney game. These players were promoted

due to the cancellation of the Freshman Wildcat team. The JV team ended the season with two losses and a bad weather cancellation. The players were really determined this year and gave a good effort in spite of the minor setbacks. The JV's final record was five wins and four losses. GOOD JOB GUYS!!

Shane Dunavin, while warming up before his last JV game, said "I think we came together more as a team and started winning some games, unlike last year."

When asked about KHS Freshmen Football success, Coach Smalley stated, “Considering that this is their first year in High School Football, they did very well.” They started the season with a win against Nolan (14-0) and Ennis (24-8), which is a 4-A school proving it doesn’t matter how big your team is. Coach Smalley

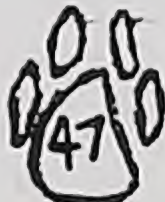

also said, “All their hard work has paid off, and I can’t wait for them to grow up so they can play for var-sity.” Outstanding players this year included the following: Bobby Williams, Kirby Neal, Jay Doody, Corey Boaldin, Dale Richie and Micheal Tramell. Good Job Fresh-men!

VARSITY FOOTBALL

“ We Got A Winning Spirit ”

Most athletic teams are judged only by their records. But if a team was ranked by the amount of blood, sweat, and tears given by its players, the Varsity football team would be number one in the state.

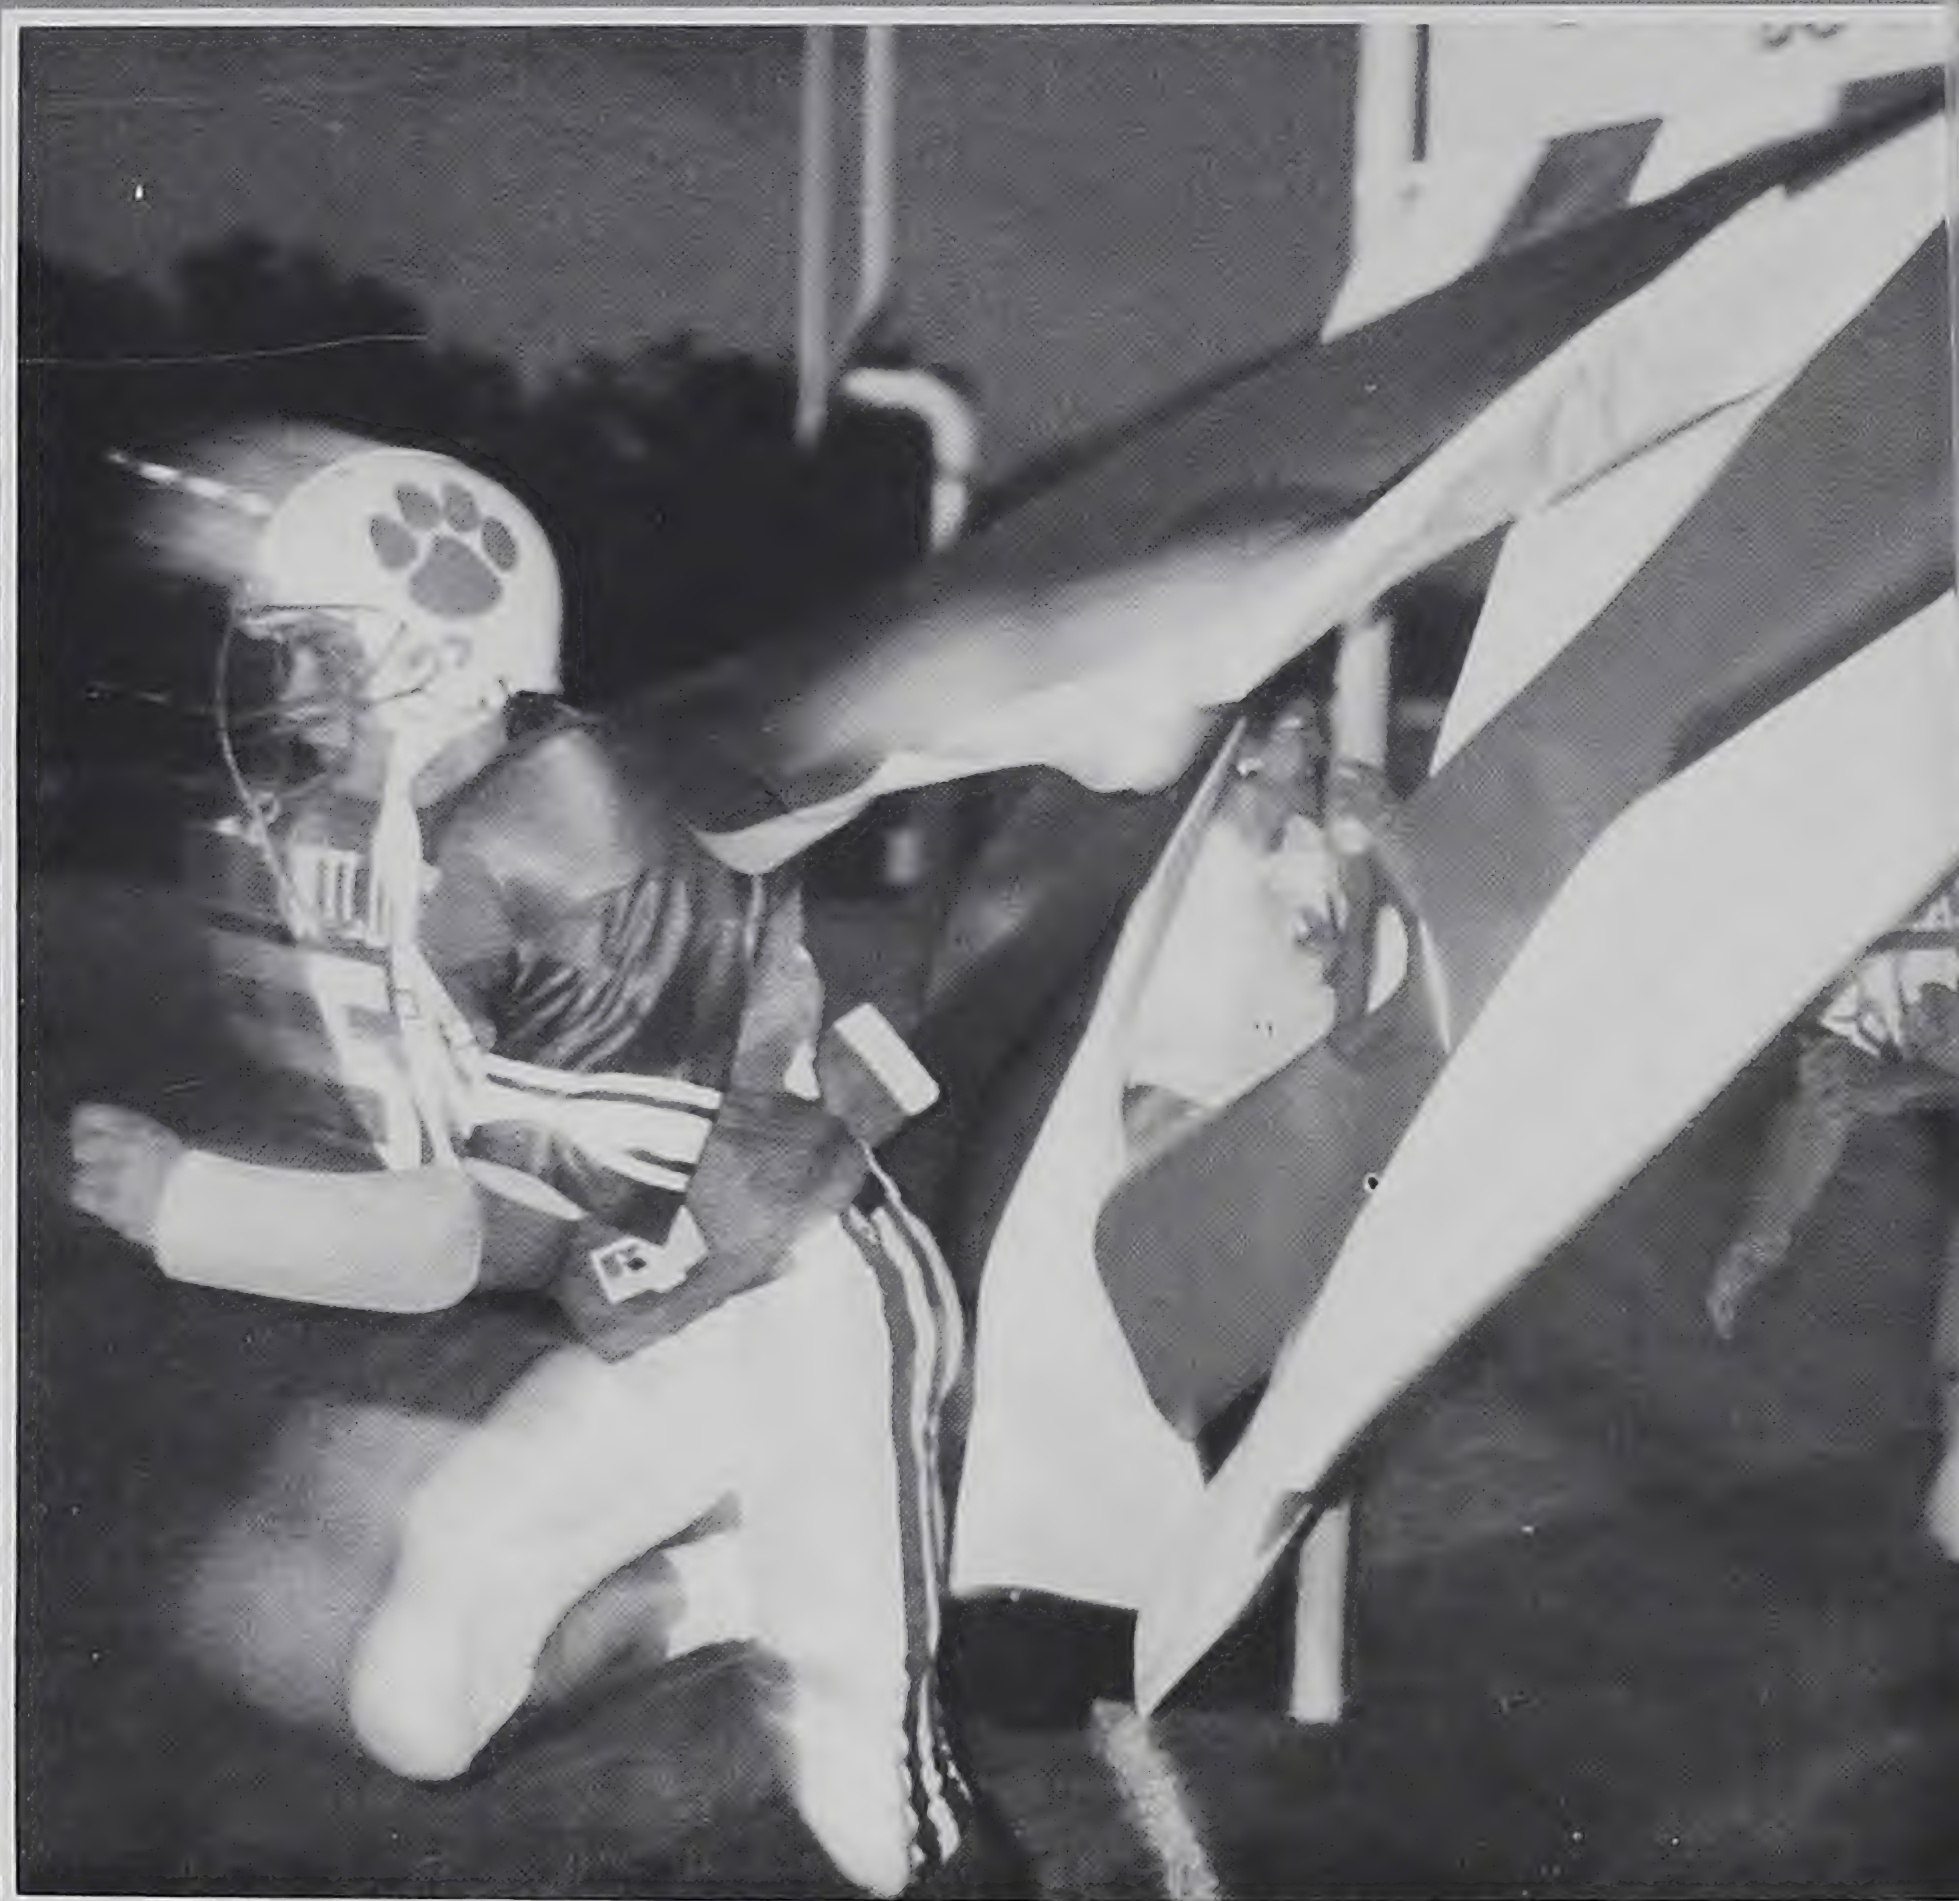

This year Kennedale High School was given four new coaches. Head Coach Dan Smally, and assistant coaches, Millsap, Benson, and Lockhart. Our coaches played a big part in the heart and dedication of our players.

Although we were only on top in scoring twice this season during a 10-6 victory over Fort Worth Christian and our homecoming game, 21-0 over Bishop Dunne, our athletes gained experience. Experience, an essential element in all aspects of sports and competition is very important for our non-senior players. The hard work of the team paid off. Most of the team will use the experience they gained to play on next year's Varsity football team.

VARSITY BASKETBALL

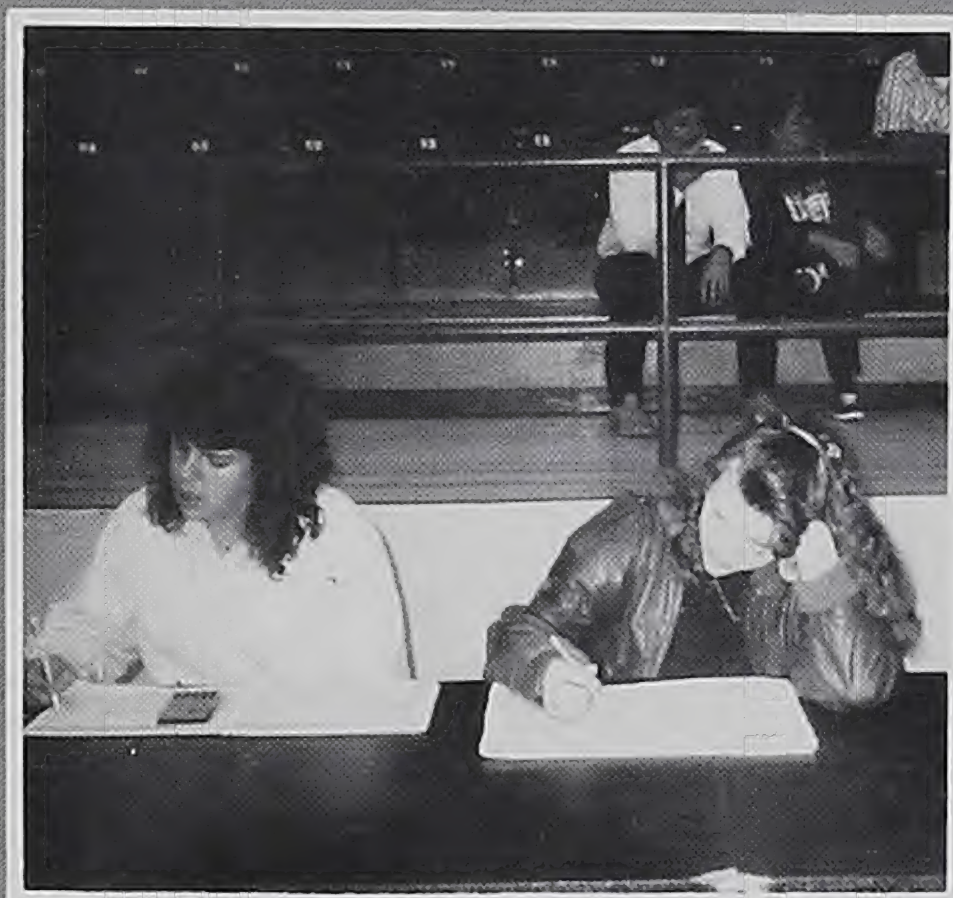

DRESSED TO KILL IN MEAN GREEN.

They started off the season with plans to win every game. What determination and skill! The season started a little shakey, and they had a number of obstacles to overcome. When they faces Hillsboro, who was first in our district, they managed to match point to point. Fifty seven minutes before the game was over, Coach Lamberth called a time-out. The score was 51 to 52 and

Hillsboro was ahead. The game became intense; our two leading scorers, Candy Jones and Jaime Kirkpatrick fouled. Seven seconds remained on the clock. The ball was tossed from player to player, for none wanted to shoot. Angela had the ball and allie ooped it to Kristina. Kristina made the shot good, and Kennedale won with a victory of 53-52.

FRESHMEN

Looking Ahead!

The freshman basketball team can be summed in two words: future potential. Although their season wasn't a winning one, it was very successful. Coach Lockhart stated, "Our main concern isn't with wins or losses, it's with building a strong future for the boys." Although only one game was won, they never felt sorry for themselves. Jay Doody proved this by saying, "Wins didn't make a big difference to us, the only thing that did was becoming a strong

district force in the not-to-distant future." Because of lack of players, we had no JV team. Because of this the fish were categorized as junior varsity. This put them against more experienced JV teams, which proved to be a major disadvantage. In the next few years, natural talent will combine with the coaching ability of Coach Dinkle, Coach Lockhart, and Coach Free to produce a very strong and respectable Wildcat team.

The 1991-'92 basketball season for the Varsity team was a learning experience. Head Coach Dinkel, assisted by Coach Lockhart, taught the players that winning is not everything, but attitudes are. When asked about the new coaching staff and the changes from last year (Capt.) Shane Elmore replied, "The new changes were different from last year but will help in the years to come." When asked how the next few years with Coach Dinkel would be, Lee Roy Cotton replied, "Coach Dinkel's coaching ability and experience the next few years should be successful." The district

record did not show the talent the Varsity team had this year. The Wildcats had a hard time when district rolled around because of ineligibilities and injuries. Because of this, the team started out with ten players but ended up with only seven. Although the season did not finish as expected, Junior Matt Wright stated, "This year was very disappointing, but if everyone works hard, we should be better next year." Shane Elmore received first team all-district and Jason Conditt received second team. CONGRATULATIONS Shane and Jason for all your hard work! !!!!!

Varsity Baseball

"A Good Season From A Good Team"

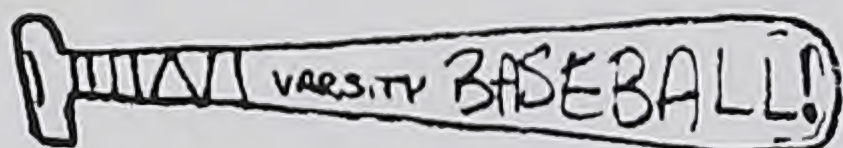

The Varsity Wildcats had an excellent 1992 season. The overall record for them was 14-11 and a district record of 4-6. Injuries disabled the Wildcats from a good district season and a chance at the playoffs. This year they demonstrated competition in district as well as their regular season. Outstanding Senior leadership came from Mike Tidwell, Kris Rizzo, Marcus Tidwell, Shane Elmore, and Jason Conditt. Eight players, consisting of five seniors, became All-District in this '92 sea-

son. First team consisted of Mike Trammell as "Newcomer of the Year", Matt Wright as pitcher, Marcus Tidwell as catcher, Mike Tidwell as shortstop, and Shane Elmore as outfielder. Second team consisted of Kris Rizzo as outfielder, Cary Goss as 2nd base and Jason Conditt as 1st base. Receiving Honorable Mention was Mike Tidwell. Also, Mike Tidwell was voted MVP for the '92 season by the Wildcats. Congratulations!

and Freshman Bobby Rowland. The District tournament left the Wildcats with a consolidation win over Whitney. The '92 season was a great learning experience for the young Wildcats. We hope it will happen again in the '93 season. Good Work!

The Team finished third in district and Jarod, Chris, and Jeff lettered. When asked about the team, Jarod Martin said, "Our newcomers Travis, Cody, and Bo jumped right into action helping the team a lot." No matter how the team played, Jarod and Shane had the team laughing by the time they were home. Coach Milsap, when asked about the season, replied, "The team played well and I

The team consisted of the former '91 team of Jacque Flynt, Benjamin Henning, Charity Sharpe, Jodie King, and Courtney Barnes. When asked her opinion of the season, Mrs. Dyer said, "We were able to spend more time on the court this year than in the previous years. This paid off as we were able to win individual matches in all of our district match-ups." When asked to recall her best memory of the season, Jacque Flynt said, "I remember how Courtney and I goofed around and had fun when we played. We will miss her." The Most Valuable Player this year is Heather Bosworth and the Most Improved Player is Angel Santos. Congratulations!

The 1992 Kennedale Wildcat track season didn't go as well as everyone had originally hoped. Even though we had many strong talents to help lead the way, there just wasn't the number of athletes participating that we needed to be a strong track team. Due to out-of-school circumstances, a large percentage of athletes were held from competing at our own track meet. The small number of Kennedale competitors that did remain gave it their all. This did

not stop the determined Wildcats as they returned the next week to the district meet with a desire to win. Most of the male athletes decided to compete on the junior varsity level for district and in doing so they brought home a second place finish. The girls all went varsity and brought home a fourth place finish. Our underclassmen are showing more potential every day and in the next few years a district championship is not impossible.

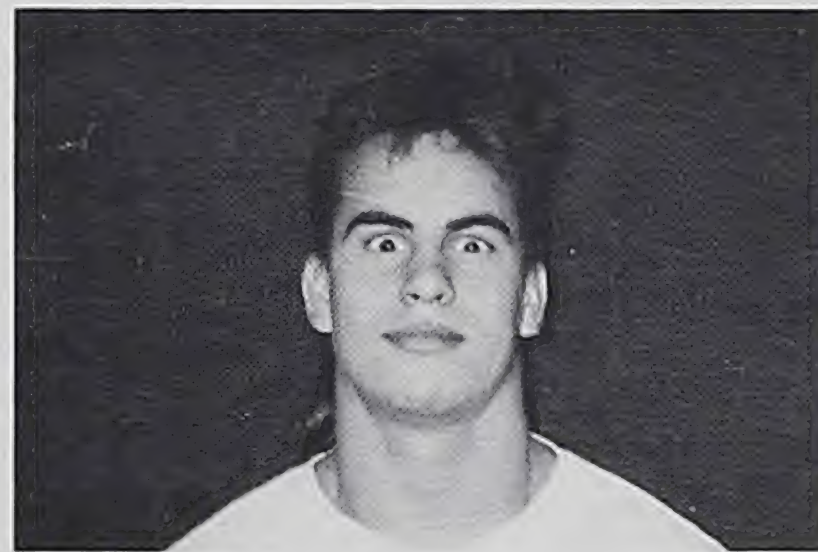

Harry Skeens placed first in both 100 and the 200 at district picking up 20 points.

The 1991-'92 Fall Sports Banquet

With the Christmas season only two weeks away, the holiday decorations for the Sports Banquet added more excitement than usual. Even though the scores at the end of the season were not fantastic, there was a lot of hard work and dedication involved. Coach Smalley stated, "I've never seen a group of kids that stuck it out, no matter what the end held for them."

This year's most valuable de-

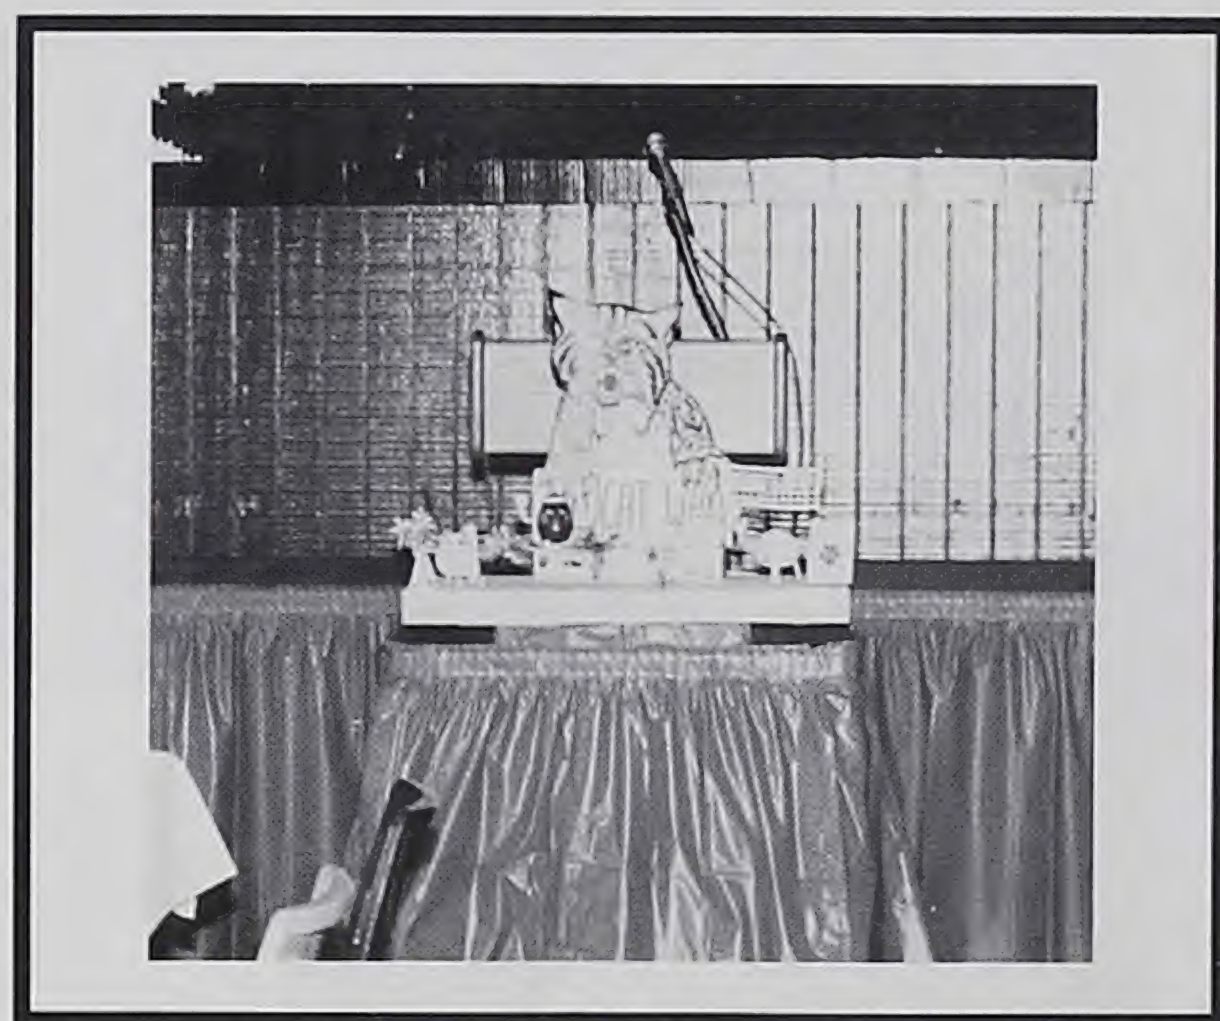

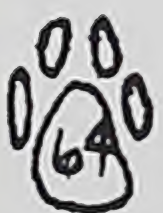

fense honor went to Kris Rizzo and Joe Nevoit. Johnny Combs received the highest GPA for the varsity football team. The sophomore of the year award went to Brandon Uzell. The following athletes received 2nd team all-district honors: Marcus Tidwell, Mike Tidwell, Chad Chambers, Lee Roy Cotton, Kris Rizzo, Joe Nevoit, Adrian Wilson, Johnny Combs and Brandon Uzell.

Jaime Kirkpatrick received most valuable setter; Kristina Young had an honorable mention. Courtney Barnes received 2nd team honor, while Candy Jones received 1st team honor.

Jason Conditt is recognized as an outstanding player by Coach Dinkel.

The Spring Sports Banquet was held at the high school stadium for the first time. Usually, athletes get to go to Burger's Lake to enjoy a picnic and sports activities. Even though it was different, everyone still had fun and got to eat free. Everyone pitched in and made it a success. The water volleyball game started as an innocent game; it ended in a deadly water balloon fight. Coaches seemed to enjoy it as much as the parents. It was exceptionally neat of the sun to

come out and let everyone have a good time. Who knows where the banquet will be held next year? No matter where it will be held, everyone will have a great time.

Right: EVERYONE enjoyed the polo green lockers this past fall. Thanks to Mr. Lynn Easley and members of the VICA Club, we had lockers all one freshly painted color.

This year Principal Leslie Horton developed a new organization called the Principal's Council. The organization consisted of leaders of each club. Their purpose was to assist Ms. Horton in a number of activities. They presented campus activities dealing with AIDS awareness and STOP SMOKING WEEK. The purpose is to give Ms. Horton feedback on students' interests and needs.

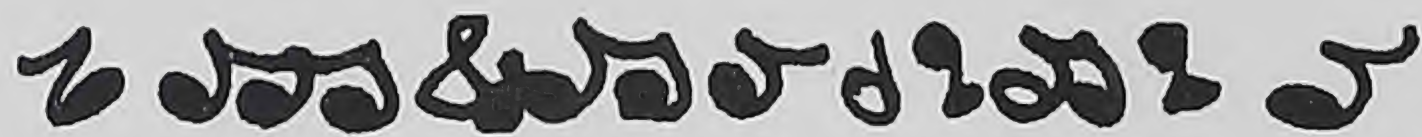

Members of the Principal's Council include the following: Back: Wendy Thacker, Lareta Bridges, Jason Conditt, Jim Burns, Courtney Barnes and Kris Rizzo. Seated: Mitzi Curry, Jacque Flynt, Ms. Leslie Horton, Oliver Hooser and Mike Pinkerton.

Senior Joseph Armour was honored this year by having three pieces of his art accepted at the 12th TCOM high school Art Show. Out of 770 art pieces, only 161 were accepted. Joseph also won a Purchase Prize Award since one of his works was purchased by Ms. Jody Sager (pictured above with Joseph). Joseph has been Art Editor for the Annual and plans to major in art in college. Good going, Joseph.

BAND

This year the KHS Wildcat Band achieved a number of accomplishments. Under the direction of Mr. Wayne Dannheim, they received a rating of three when they attended the TCU marching band competition. The band is directly responsible for settling down fans at one of our action-packed football games. They started working on the half-time show *Gold* before students even thought about starting school.

Getting up and on the marching field so early does have its rewards. In the spring, they took off for a fun trip to Branson, MO. While there, they took a rating of one at the Ozark Music Festival. They also enjoyed Silver Dollar City and more go-carts than they could handle. They brought the year to an end by performing at the Commencement ceremony for the seniors.

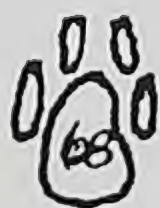

Where would Homecoming be without the band? Where would members of the band be without the traditional MUMS? Not at a KHS Homecoming, that's for sure.

Above: Practice, Practice, Practice. That's the motto of the mean green. They're up early and they play late.

Playing at the Minyard's opening, the band was offered snacks at the end. Could this be considered playing for one's supper?

CHOIR & PIZZAZZ

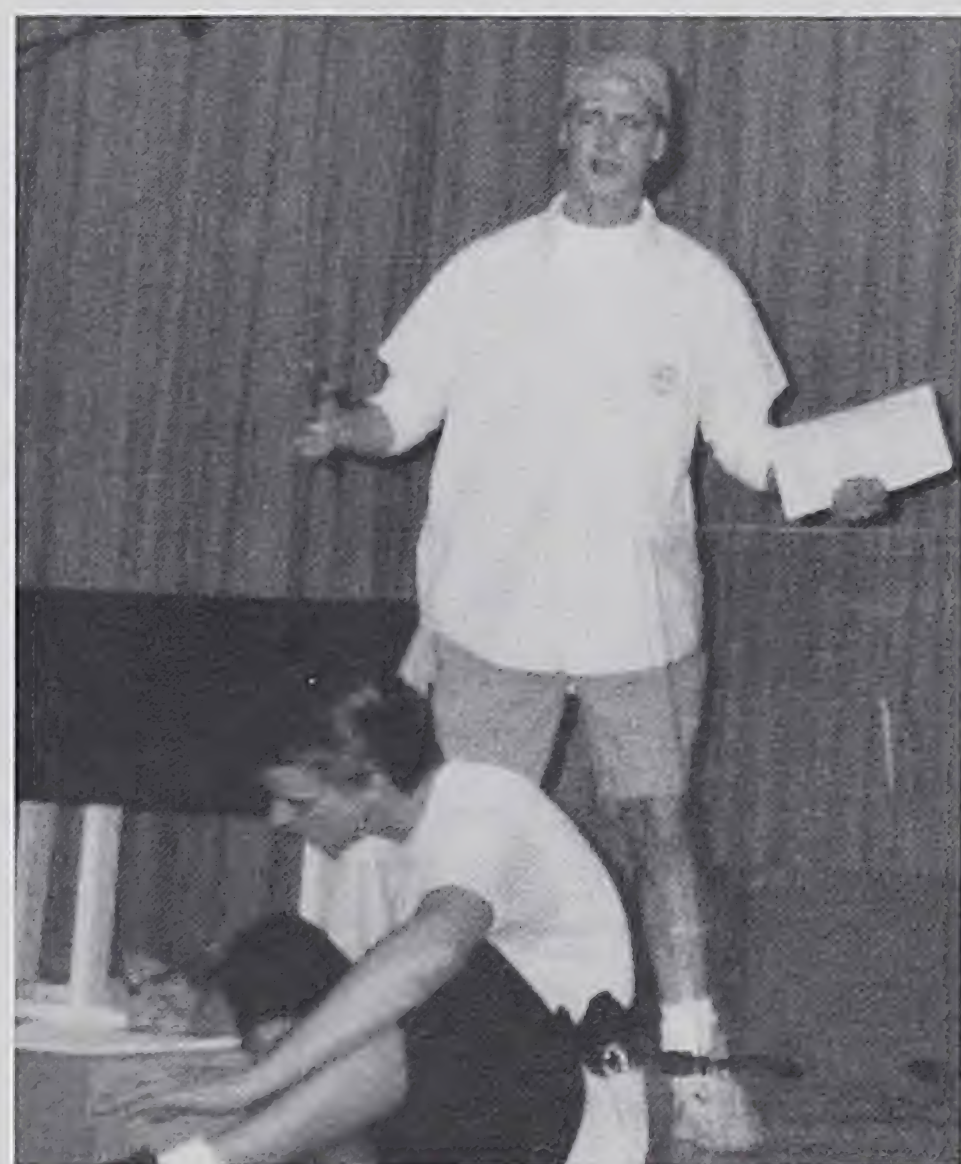

The choir was very busy with many projects this year. They put on a musical called *You're a Good Man, Charlie Brown*. The choir went to UIL for the first time and came back with second place. Jazz Choir and Choir both went to Sandy Lake Park for competition. This year more students went to state than ever. More

students also took voice lessons this year. The choir is getting ready for a trip to Florida and the Bahamas next year. The choir has been extremely successful during the year by doing things they have not attempted before. Director of Choir is Ms. Dana Seelye. Assistant Director is Mr. Joe Sullivan.

CHOIR

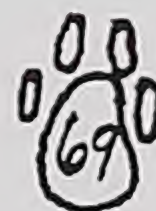

D-NNANN

It took hours of rehearsal, but the performance was the talk of the community, faculty and students.

The great American past time played on the KHS stage? Nah. What would Mr. Larkin say about this?

JV CHEERLEADING

The JV cheerleaders started their new season by attending summer camp. During the football season, the pep rallies were held every Friday to boost school spirit and encourage the football players to play their very best. Football season was filled with many great moments and

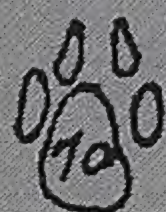

memories because of the JV cheerleaders and their Wildcat spirit. Members of the staff are the following: Jennifer Bedwell, Jennifer Jordan, Jodi King, Leighanna Morgan, Stephanie Norrell, Angie Waldrop, Kandie Walther and Jessica Winters. Sponsor was Ms. Rhonda Barnes.

Jennifer, Kandi and Jodi all gave the new toe-touch hair style.

How could we forget the time Jessica dressed up like an Indian and yelled, "Shoot 'em all, shoot 'em all."?

“Thanks for the memories of: Making camp shirts for days; being nominated for the award of excellence; games in the rain and cold; never matching bows and even once not matching uniforms; Country dancing at the Whitney Dairy Queen, making Friday treats for the boys and coach of the week; never ending ribbon sale; kitty korner; the never forgotten pie in the face; the sentimental memories rally; the fall banquet (especially the gift you gave the guys); the way you always listened to your sponsor and did exactly what she said; and, finally, our great contribution of the beautiful Wildcat Way run through.

To all my SPECIAL friends on the Varsity squad, I will never forget this year, and I wish for each of you happiness, success, and God's Blessings that you fulfill all the plans we talked about in the van.”

Love You, Rhonda

JUMP SHAKE your BOOTIE

This year, the Varsity cheerleaders did extremely well at summer camp. The squad brought back blue ribbons, a spirit stick, and were even nominated for the Award of

Excellence, which is a prestigious NCA award. The cheerleaders worked hard over the summer preparing for the '91 football season by painting signs and practicing weekly.

Student Council & NHS

One of the highlights of the Student Council this year was their "Howdy" day to welcome all the new students. In addition, they also held "Red Ribbon Week" to promote drug awareness. Another project was that of helping NHS in the Christmas can food and toy drive. Presi-

dent Wendy Thacker said, "This year, student council has worked extremely hard, and we have accomplished more than ever before. We have tried to build the foundation for a better Student Council in the future."

NATIONAL HONOR SOCIETY

The National Honor Society has been involved in many different activities this year. One of their activities included the successful Christmas toy and canned food drive they have held in the past. They provided a teacher's luncheon and made Valentines for the war veter-

ans. NHS was also in charge of planning and arranging the awards assembly at the end of the year. NHS definitely did its share of hard work to help is and the community be a better place.

NATIONAL HONOR SOCIETY OFFICERS

Vice-Pres.- Jason Conditt, Pres-Kim Klein, Treas. Matt Cashion, Sec.-Jennifer Thomas, Parl.-Becky Jordan, Hist.-Courtney Barnes.

DRAMA

THE SPIAN SOCIETY

The Drama department was busier and better than ever this year. Their first play, *Rag Dolls*, was a play about child abuse. Other plays included *A Christmas Pantomime*, *Where Has Christmas Gone?*, and their spring play called *Werewolf*. The Drama Department also joined the Choir in the all musical production of *You a Good Man Charlie Brown*. A few of the KHS Drama students took the classic play of *Cinderella* to UIL com-

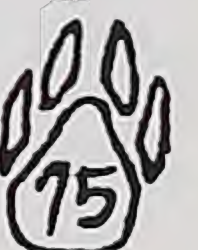

petition. Drama director Mrs. Raymond said, "We want to change the direction of the Drama apartment by putting more instruction into it and building a base for those who pursue acting in college. The actors and actresses really put their hearts into it." If things continue, KHS students can look forward to more and better theatrical productions.

In the play *Ragdolls*, Wendy Thacker throws an attitude. Too much ironing, Wendy?

David Solis plays the abusive stepfather of Janita Curry in the fall play, *Ragdolls*.

Elizabeth Arnold looks exhausted after a long and hard play practice.

Is this a new fashion statement or are Jessica and Janita regressing to their childhood?

Y E A R B O O K

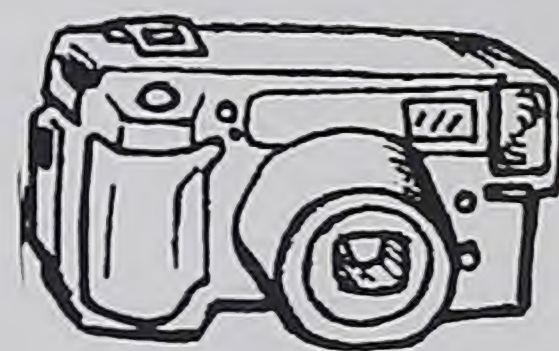

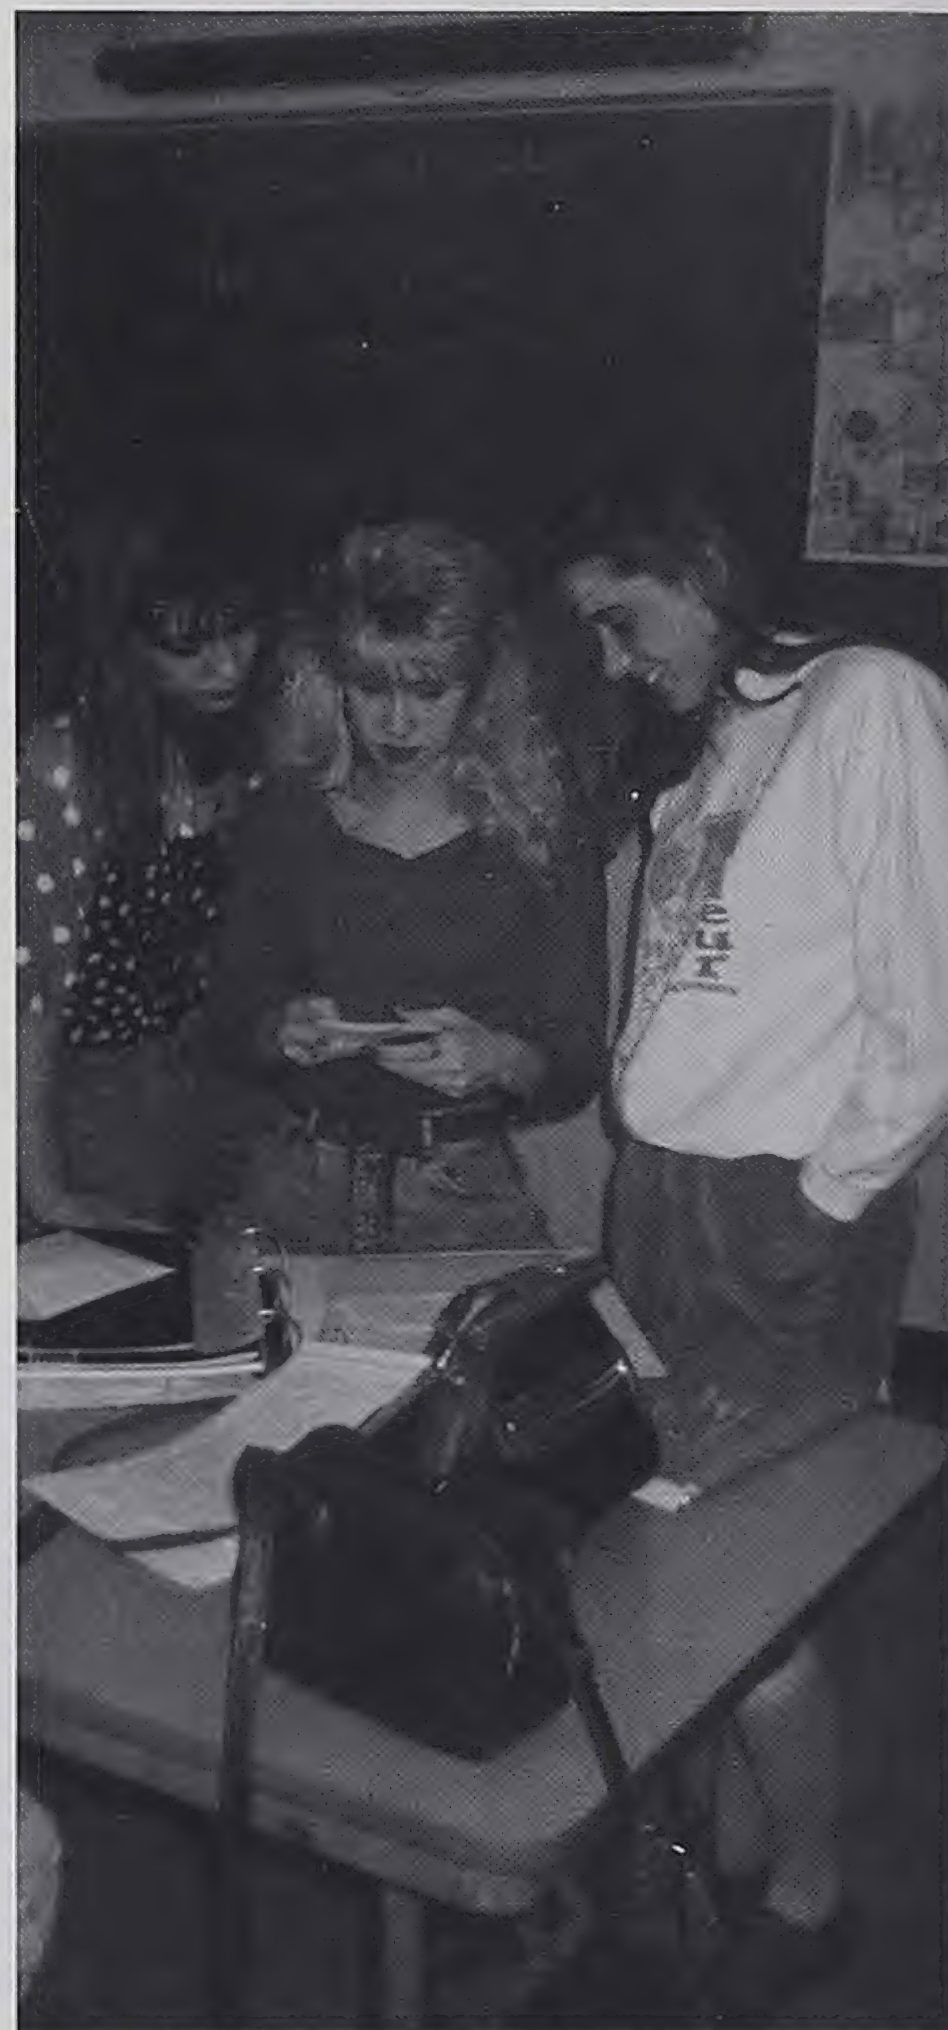

The Wildcat Track: "Remembering the past year."

Seniors, juniors, sophomores, and freshmen want to remember their high school years. KHS annual staff brings just that: Memories! Sponsor Jean Harper chooses students each year to assemble the yearbook. Editor, Jana Lynch, says students "Learn to work with deadlines." Students say this is the hardest part of creating an annual. Last year graduation and prom pages were added. This delays receiving annuals until September. It proved to be a success, so Kennedale will continue this tradition. Thanks to the KHS annual staff, students have another high school memento.

JOURNALISM

"Reporting The Wildcat Way"

Ms. MiLena Balthrop sponsors a journalism class for select students interested in journalistic writing. Students publish "The Wildcat's Tale", our school newspaper, monthly and sell to students and faculty for twenty-five cents. Each month journalists write feature stories for the paper. They also bring an update on KHS clubs. The staff members sell ads to businesses in the community, too. The paper is enter-

entertaining and informative. Staff members improve their writing and grammar skills. Writing isn't the hardest part of publishing a newspaper. Courtney Barnes thinks "cutting and pasting the paper together" is.

Journalism is "lots of fun but sometimes it can be really stressful, especially when deadline time comes around," commented Courtney Barnes.

Chad Chambers is *official* face painter at the Kiwanis Halloween face painting party. However, the young lady doesn't look too interested in a makeover.

VICA/ICT is a technical/vocational program where courses are taught by Mr. Lynn Easley and Coach Jet Teague. They work off-campus with the Kiwanis Club and on-campus by improving our campus environment. They are also devoted to improving their leadership skills. This year they held a Vocational Assembly in front of the student body. The group traveled to a Leadership Conference at the University of North

Texas and one at the LeBaron Hotel in Dallas. While at the Dallas meeting, Aliesha Thornhill was elected District President with advisor Coach Teague. This year's VOCT Club placed in the top ten in District competition. Always improving our campus, always showing us what leadership is all about, this organization of hard workers deserves a big round of applause.

FBLA & TAFE

Sponsor Ms. Ann Taff and Ms. Gina Ward have kept FBLA members quite busy this year. A number of students traveled to Houston to the state FBLA Convention. They co-sponsored a Haunted House at the Chamber of Commerce Halloween Carnival. Members keep busy with a number of fund raisers which aid in travel assistance to the convention.

TAFE - Texas Association of Future Educators - is in its second success-

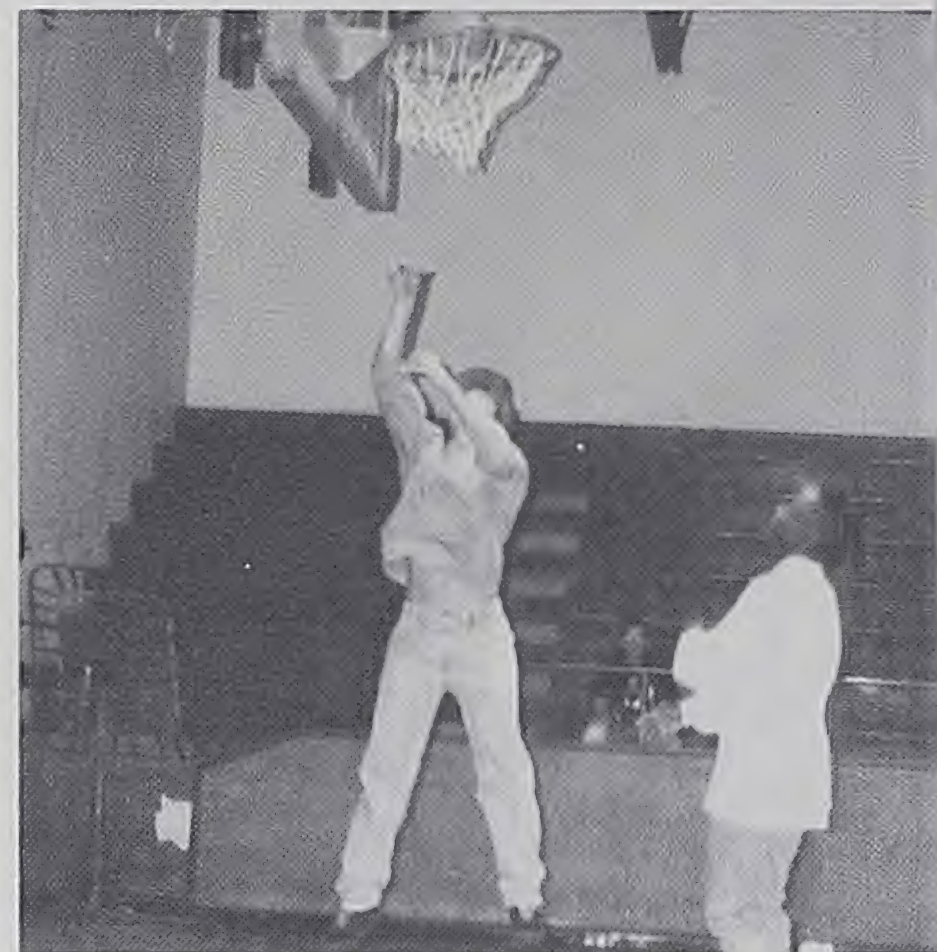

ful year on the KHS campus. Sponsored by Ms. DeAnn Romph, the organization received accolades when it sponsored teacher appreciation week with a week-long luncheon starting with a baked potato and all the trimmings on Monday and concluding with chicken fried steak on Friday. In addition, the group presented a slide show at the end-of-the-year Employee Luncheon.

The UIL Academic Team's District meet was at Hill College in Hillsboro on March 23-24, and the One-Act Play competition was on March 27. Cross-X Debate was held on January 8, at Hill College. Jeannie Brown and Jennifer Thomas placed 5th in the prelims.

Since 1987, there has been an organization at Kennedale High School filled with students who care enough to say "Don't Drive Drunk". This organization is called SADD, "Students Against Driving Drunk". Every year they put together a fund-raiser so that they can hold an annual reception for the seniors after graduation.

The Art department has built up

since last year. Mr. Lenzmeier has taught a lot of kids and he says "The Kids in this school have a lot of skill and they're going to get better". Senior Joseph Armour gives his remarks about Mr. Lenzmeier, "We finally got a great art teacher that knows what he's doing and feels the art department will grow in the future." Freshman Michael Peterson has to say, "It is a fun and learning experience." Freshman Sharon Buck adds, "Art is entertaining and Mr. Lenzmeier is a great teacher." Sophomore Jarrod Martin says, "Mr. Lenzmeier's creative imagination is sure to help his students in the future."

Prom King & Queen

"An Evening in Paradise" was just what Prom 1992 was. It was definitely a memorable night. It started off with dancing to familiar tunes and snacking on the scrumptious food. The slide show, given by the juniors, added a touching moment for the seniors as they remembered all the exciting times over the years. Then, it was time for the crowning of the King and Queen. Rebecca Jordan received the award of Prom Queen and Michael Tidwell was crowned the Prom King. Becky said, "It was quite a shock to receive this honor." Oliver Hooser and Stephanie Buyers were Crown Prince and Princess. This night was very memorable for all that attended the Prom. Special thanks to the juniors for all of their hard work.

GRADUATION

After waiting not-so-patiently for twelve long years, the day finally arrives: GRADUATION! Except perhaps for that special prom night, nothing so exciting has happened to exceed the anticipation felt.

The Sunday before Graduation, they met for a Baccalaureate service, which gave them the opportunity to gather for a serious thought as to what the future holds.

The last week of school is an

unending blur of chaos. Seniors are trying to tie up all loose ends: paying library fines, checking in all textbooks, getting a copy of a transcript and, finally, trying to pass finals.

So, let the celebration begin! The Seniors of 1992 have done it! With diploma in hand and enthusiasm in their heart, they are prepared for their bright future, whatever it may be. CONGRATULATIONS CLASS OF '92.

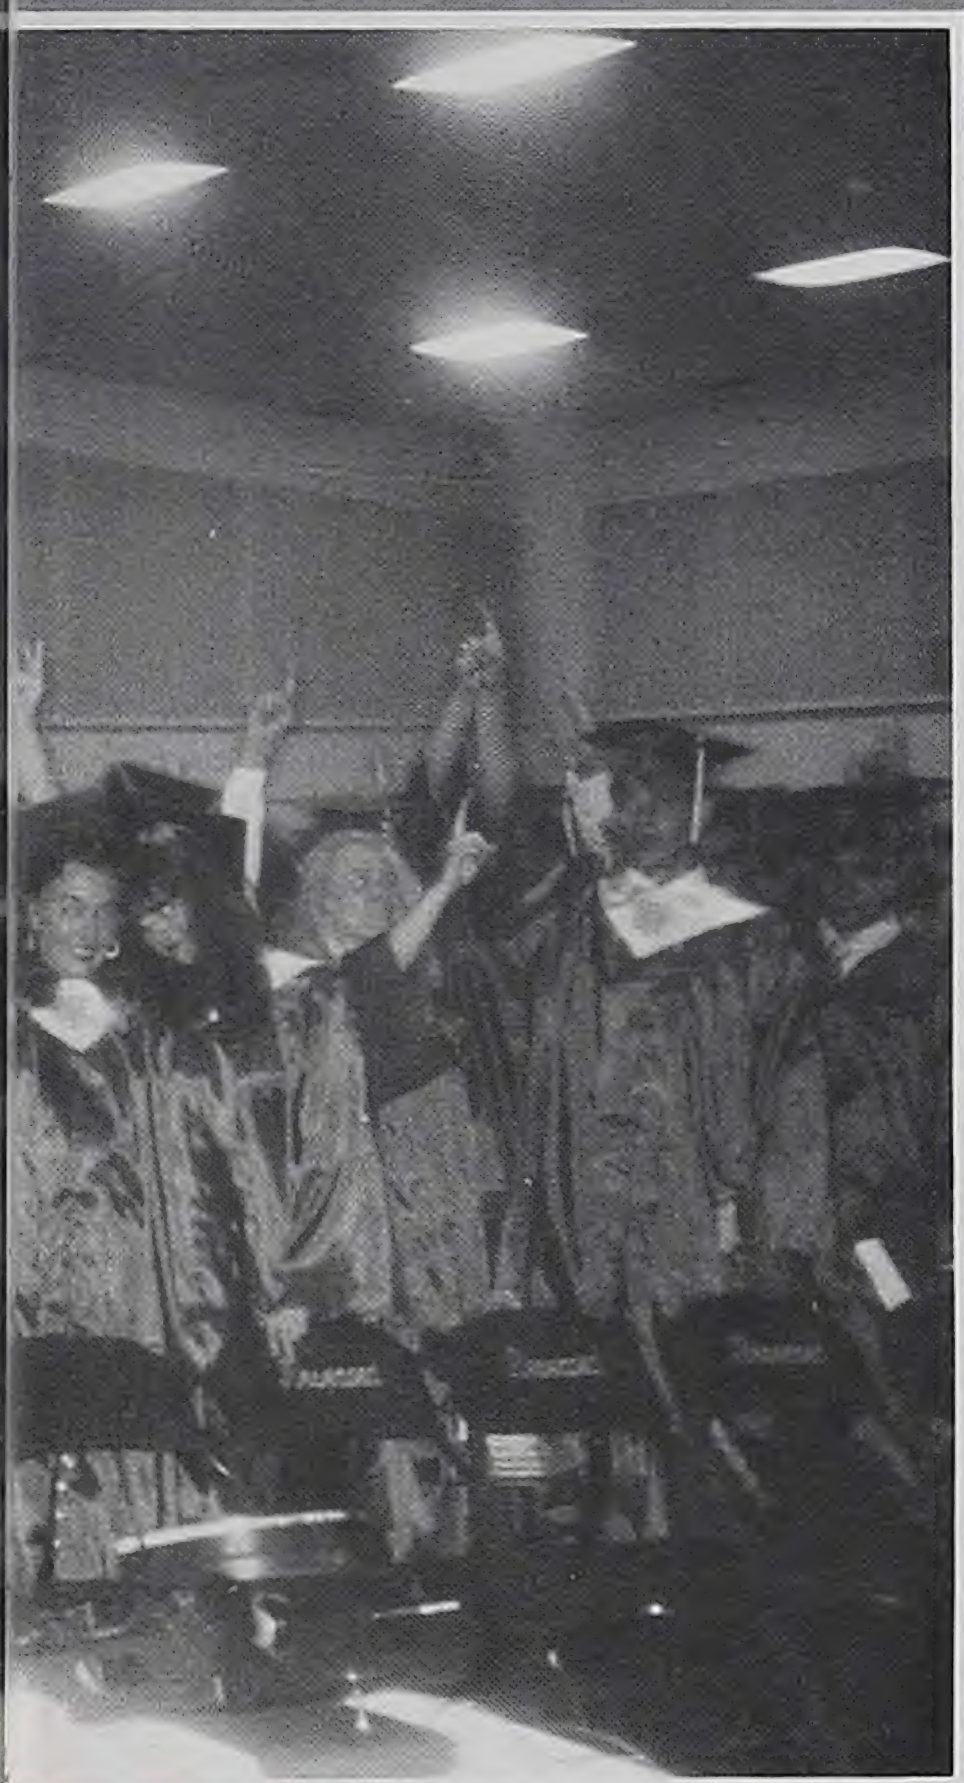

Valedictorian Matt Cashion challenges the class of '92 to go out and be the best they can be.

Seniors Class Of

Seniors get a chuckle out of Matt Cashion's reference to Dr. Seuss in his valedictorian speech.

To the right: Melissa Glass, Salutatorian, reminisces about days with Mr. Delaney, the first few days in junior high, and making it big time as a senior.

The wait, at times, seemed to last an eternity. Having suffered through several cases of senioritis, Kelly Freeman and Stefanie Freeman know the wait is almost over. Five more minutes and then all seniors line up to walk down the aisle to get that diploma.

The *alma mater* for the last time.

92!

Shane,
We have had a lot of
good and bad things
happen to us lately.
You are *one* of the *two*
best things we have ever
had.

Our love, Mom and
Dad

Congratulations, Lee
Roy. We're proud of you.
Love, Mom and Dad

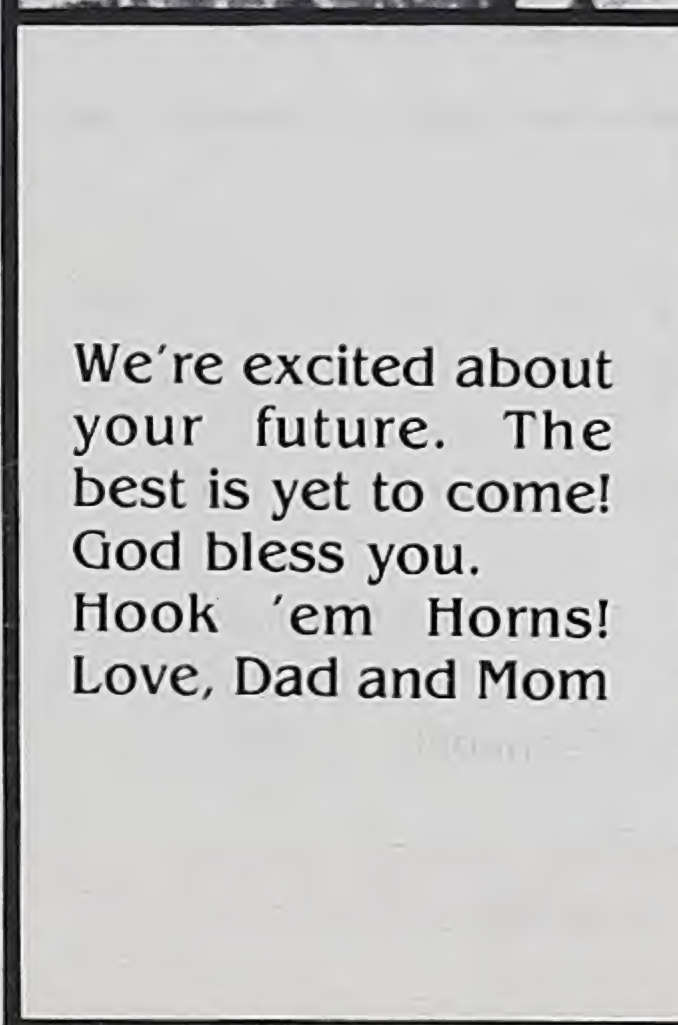

"Angel Pie," You have
made me proud from day
one.
We love you, Dad, Mom
and Jason

From first grade and ruf-
fled dresses to senior cap
and gown, we've always
been proud of you!

Courtney - from a cute,
confident kindergarten
student to a very beau-
tiful, successful young
woman. We know the
world will benefit from
your caring and loving
spirit.

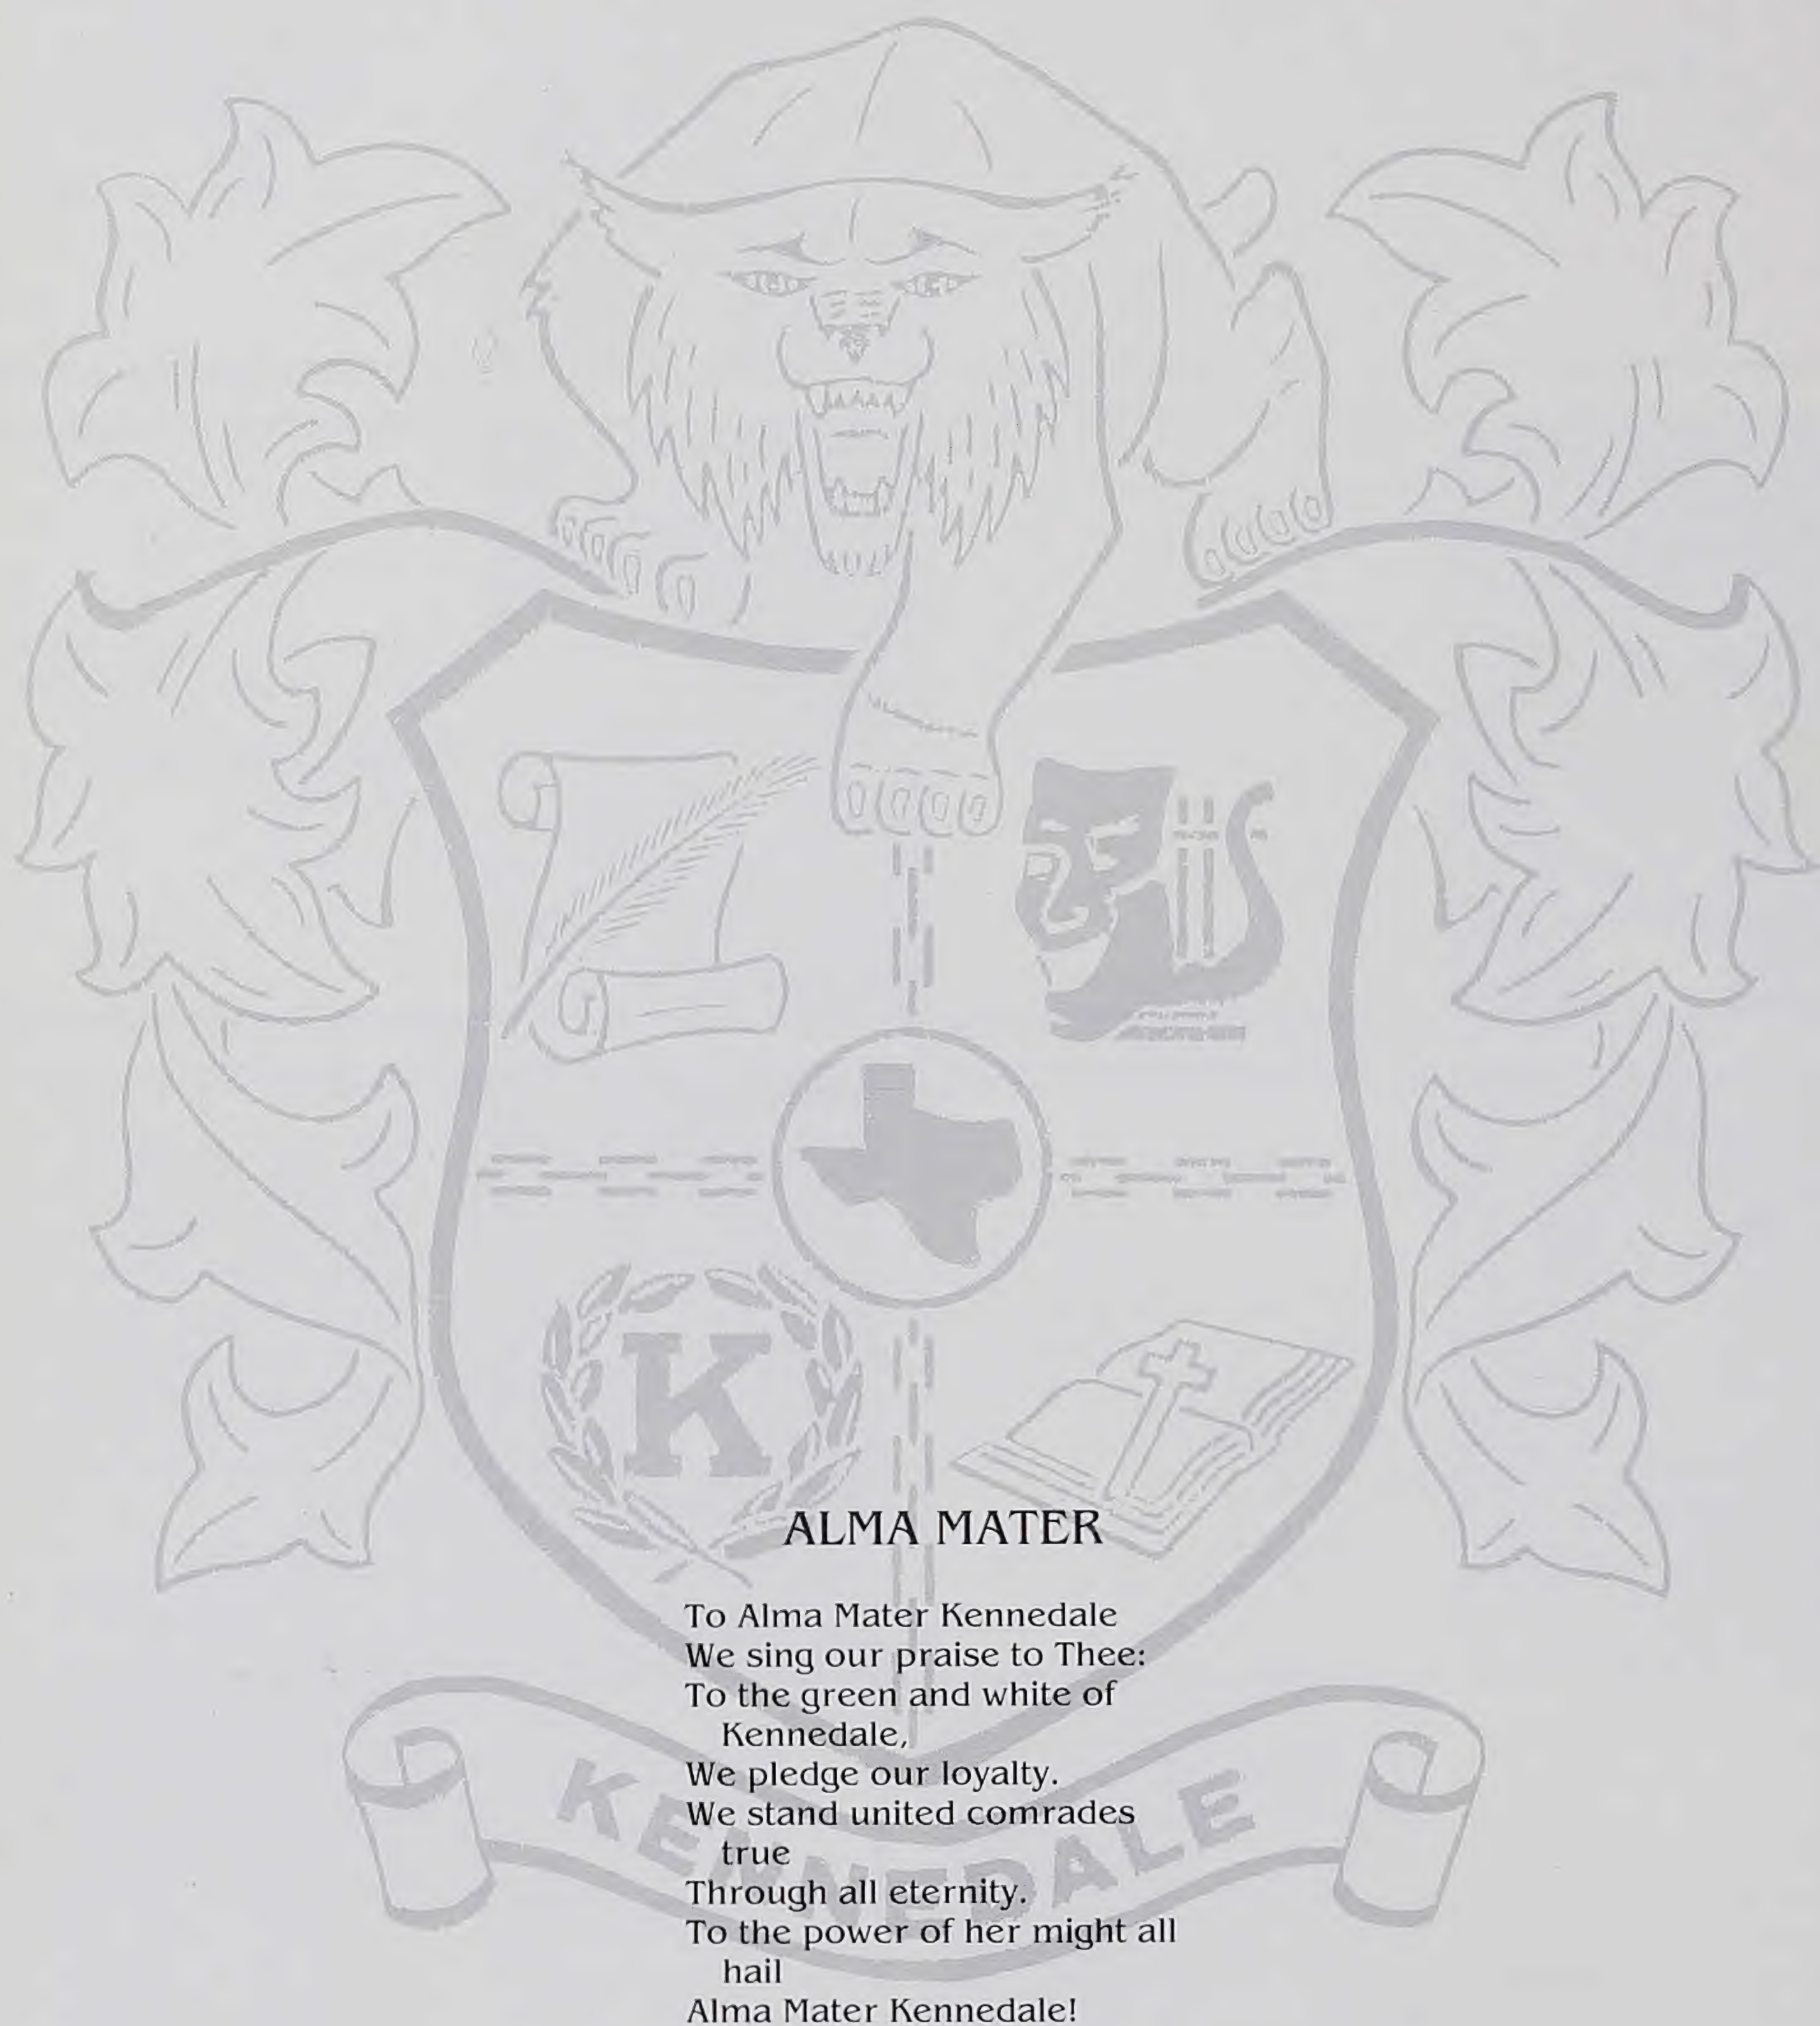

We're excited about
your future. The
best is yet to come!
God bless you.
Hook 'em Horns!
Love, Dad and Mom

Wishing you love,
happiness and
God's blessings!
All our love, Mom,
Dad, Tiffany, Patrick
and Hillary

Amy,
I haven't known
you long but your
a really sweet person.
I'm glad I came to Kern.
and I know your glad I came
too. (Right?)
Call me
sometime

your friend
always,
Brandi
Amy

Hey Amy,

I haven't known you long,
but it seems like I have.
You were one of the first
friends I made here at
Kendall, and I will
always remember
you. Sorry I don't
always say "hi"
is the halls, but
I'm rarely in a
good mood. But
we're still
friends.

Amy,

I know I am
not in this
year, but I was
it would be
on. If you
are ever in
trouble you
can count
on me
your friend
I miss
you
Love,
James
